The Kalinowski's "Big Red"

Story submitted by Bea Kalinowski

The Kalinowski's 2006 Redfire Mustang GT Premium was built in Flat Rock Michigan and bought new in Southern California. They were looking at classic Mustang GT's and the cost of restoring one. Then the new Mustangs came out in 2005. After researching all the technical improvements on the new Mustang, the Kalinowski's decided that the new version was the best of both worlds. It was a classic look of the 60's with all the modern technology and reliability. The only problem was that all the dealers were marking the Mustang GT's up another \$5000 over sticker and the Kalinowski's did not want to play that game. As it turned out, their neighbor was good friends with their hometown dealer's son and had him them. The Kalinowski's told him that they weren't paying over sticker for any car. He assured them that it wouldn't be a problem. As it turned out The Kalinowski's got the car close to dealer cost and drove out with a 2006 Mustang GT. The Kalinowski's immediately joined the Orange County Mustang Club, one of the biggest in Califor-

nia with about 350 members. They participated in some great cruises in Southern California. The most memorable, and last with the Orange County Club, was the Mulholland cruise. They started inland on Mulholland Drive, where many movie stars live, and after about 2 hrs. of winding mountainous roads, landed at the Pacific Ocean, near Malibu. It was a fantastic cruise with about 20 cars. The Kalinowski's moved to the Hill Country in Bulverde, Texas in January 2011, which meant driving 2 cars 1350 miles from California to Texas. The Mustang, which they named "Big Red," rode great. It was the farthest Big Red had ever been in just a few days. Luckily, there were no rock dings from the trip. Even with driving from California Big Red just recently in 2016 turned over 16,000 miles. Low mileage for a 2006!! The Kalinowski's only complaint is that Big Red never saw a drop of rain until they moved to Texas. The locals call that a Texas Baptism. The Kalinowski's joined the San Antonio Mustang Club soon after moving here and have really enjoyed it.

San Antonio Mustang Club Editorial Statement of Purpose

The San Antonio Mustang Club (SAMC) is a San Antonio-based Club that also encompasses surrounding suburbs and smaller cities. SAMC is the first and largest Mustang Club in San Antonio. The Club was started in 1980 with only a handful of Mustang enthusiasts that answered a newspaper ad and gathered in the Northstar Mall parking lot. The Club presently has grown to over 150 memberships with 80% being family memberships making the Club over 200 strong. We are dedicated to serving all those who own a Mustang, who are past owners, or who dream of owning a Mustang and just simply love the Ford-built muscle car. We work to educate Club members and the public about all generations of the Mustang and promote its appreciation. You do not have to own a Mustang to become a member.

If this is your first time attending our Meeting or reading this publication, welcome and thanks for choosing to visit! We encourage you to explore all that SAMC has to offer. Check out our website: SAMUSTANG.COM.

If you have questions, please ask any member. If they can't help you or answer your question, they can definitely point you in the right direction!

Ready to join the San Antonio Mustang Club? You can join SAMC [Member Signup](#) online registration. At end of sign-up you will have the payment option of online payment (credit card) or print out invoice and mail it in with your payment.

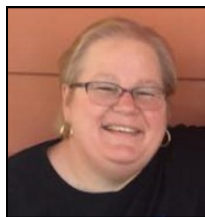

SAMC Editorial Policy

The purpose of the San Antonio Mustang Club's monthly newsletter, HOOFPRIINTS, is to provide the membership with information on Club activities, cruises, volunteer opportunities, various articles on topics relating to Mustangs, editorials, and an occasional humorous insert.

Any member who wants to contribute their own article, editorial, or letter to the Editor with comments on previous Newsletter contents, is welcome and encouraged to do so. This is a publication put together for the benefit of the Club and belongs to the Club members. Without the members, this publication would not be possible. Comments and suggestions are always welcome.

Anything submitted for the purpose of publication will be reviewed and possibly edited. The Editor, with the President and Board, has the right to refuse any article or editorial if the content of such is considered offensive, vulgar, or of questionable material. Readers should also know that all content submitted by other members are opinions only, relating to the integrity of the person who submitted the article, and should not reflect as the opinion of the Club as a whole.

MESSAGE FROM THE EDITOR

The tagline of Hoofprints is "Bringing Members Together One Print at a Time." The reason I chose this is because I truly believe the more we share our love of Mustangs with everyone, the closer we grow together as members of SAMC. Without your ideas, comments, and contributions, we can't bring you, the member, a worthwhile publication.

I encourage everyone to think about what they love most about being a member, what ignites that passion inside you for your Mustang, what interests do you have in restoration, car care products, what places you've traveled in your Mustang? Share your experiences and photos with me so that together we can make Hoofprints a club Newsletter.

Each month it is my desire to showcase a member and photos of their car. Please submit your story, or feel free to nominate someone! This will help all members get to know our faces AND our beautiful cars.

Send your articles, etc. and photos to:
rebeccadowda@yahoo.com

Submission deadline: the Friday following each monthly Club meeting

Thank you for putting your trust in me!
Respectfully,

Becky Dowda

President's Path

Article by Paul Woepfel,
President

It's only February and the events page on our SAMUSTANG.COM web page is filling up fast. We have planned many exciting things already and will be adding more as we work out some of the details. As I mentioned in previously, we have been asked to participate in Jordan Ford's 2017 Chili Cook-Off as well as display our cars during the cook-off. They are requesting the cars be there by 10:00 am so they can get them organized. Jordan Ford has been a long time supporter of the club and it would be great to show up in force. A flyer is included in this Newsletter. If you would like to help with **cooking the Chili** for the Club Entry and/or **put your car on display** please let me know by **15 February**.

At the last meeting, Tom Bader mentioned the **2017 Mustang Club of America Grand National** the weekend of August 25-27, 2017. It is being held in Kansas City, KS. They have opened up the hotels that have been set up to support the show. It is recommended, that even if there is a possibility that you are going, to book a room now since they will fill up fast. For more information the website is:

<http://mustangclubofgreaterkc.com/activities/2017-mca-grand-national/>

<http://www.mustang.org/content.php/238-Mustang-Shows>

As we get closer to the event Tom Bader will coordinate the trip to the event as well as the hotel in Norman, Oklahoma for the trip up and back. If you have any questions please contact him at **tbader@satx.rr.com** or myself at **president@samustang.com**.

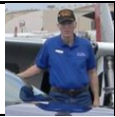

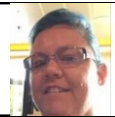

We have tentatively set 29 April for the Mustang Birthday event. However, we are still seeking a location to support up to 200+ Mustangs and possible vendors. If you know of a location that may be open to supporting such an event, please share it with us.

If you can volunteer to help at an event this year, you will find that the rewards in meeting new people and successfully planning and running an event are very exciting. The help you provide goes a long way in promoting the Club, establishing new friendships, and most of all sharing our passion for our Mustangs with others in the community.

Cars & Coffee - January 14, 2017

The San Antonio Mustang Club was asked to organize the first Cars and Coffee event of 2017. It was held on January 14th, from 7:00am to 10:00am at Oak Hills Church, off of IH-10 and Loop 1604. Paul Woeppel was in charge of getting volunteers to help direct traffic and ensure participants were aware of our safety rules and those the church set for us.

It was a nasty morning, with rain, drizzle, fog, and a bit of a chill in the air. Volunteers arrived between 6-6:30am and set up the signs and cones for traffic control. Cars started coming in as early as 6:30am!! Small flyers were handed out to participants as they drove in.

We are very happy to announce that the amount of cars that showed up on such a bad weather day was phenomenal. Every time we thought the line would stop, another line of cars came in. We don't know an exact number of cars, but we can tell you that they filled up the first two lots and were overflowing to the third lot behind the church. We handed out 300 flyers, and we still had more cars rolling in. So we know that we had around 300+ cars.

Thank you to all the SAMC Volunteers who came out and braved the weather: Curt Fodderie, Mark and Karyn Williams, Traci Tate, Tom Bader, Paul Read, Steve & Winnie Schnabel, Becky Dowda and Robert Weller.

2nd Annual Cruise to Opies BBQ Spicewood, TX

On January 14th, 2017, SAMC joined with Wild Side Stangs for the 2nd Annual San Antonio Mustang Cruise to Opies BBQ in Spicewood, TX. Everyone met up at the HEB off of 281 and Loop 1604 for instructions by Paul Woeppel about the 2-hr drive to Opies.

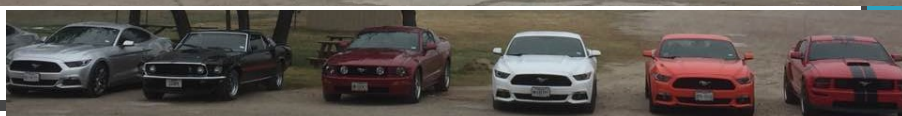

Above: 1st stop for a break & gas / Below: 2nd stop for photos at truck stop

There were 17 Mustangs in our group. First stop was in a little town for potty break and gas. It was also a great opportunity for photos. Second stop was an abandoned truck stop where we took more group photos. The weather was cold, drizzly and foggy, but that didn't stop us! The food was fantastic, and the memories with other Mustangs - Priceless!

Cruise to Dick's Classic Cars Museum San Marcos, TX

On January 21st, 2017, SAMC joined with the Mustang Club of Austin for a cruise to Dick's Classic Cars Museum in San Marcos, TX for "Museum and a Movie" night. SAMC Members assembled in the parking lot of Costco on IH 35 North just past Loop 1604 and rolled out at 5:00 PM. We traveled in line to San Marcos and on the way our group had several on-lookers taking videos and photos of the line of sweet Stangs! Once we arrived we parked with the other club members from MOCA for a mini Show and Shine in the Parking Lot of Dick's Classic Cars Museum. Afterwards, we all went inside to tour the museum and eat a delicious BBQ dinner provided by Hays County BBQ. The museum waived their entry fee and the movie for the night was "Getaway" starring Selena Gomez and a Shelby Super Snake!

San Antonio Mustang Club History

It was decided at our February 2017 club meeting that we would be including some history of the San Antonio Mustang Club in the monthly newsletter. Originally the idea was to create a book, however the newsletter seemed a more appropriate means to share a digital historical record of the past, present, and future of SAMC. This section of the newsletter would not be possible without help from Jack Klug, Roy Putz, Tom Kubler, along with Tom Bader and Paul Woeppel.

First outdoor meeting at Northstar Mall, late February, 1980. Name of club selected.

Punctuality—

A company owner was asked a question, "How do you motivate your employees to be so punctual?"

He smiled & replied, "It's simple. I have 30 employees and 29 free parking spaces. One is paid parking."

Where Were You—

The older police detective stopped by my house and asked where i was between 5 & 6?

I respectfully replied, "Kindergarten, sir."

Actual 911 Calls—

Dispatcher: Nine-one-one What is the nature of your emergency?

Caller: I'm trying to reach nine eleven but my phone doesn't have an eleven on it.

Dispatcher: This is nine eleven.

Caller: I thought you just said it was nine-one-one

Dispatcher: Yes, ma'am nine-one-one and nine-eleven are the same thing.

Caller: Honey, I may be old, but I'm not stupid.

Dispatcher: Nine-one-one

Caller: Yeah, I'm having trouble breathing. I'm all out of breath. Darn...I think I'm going to pass out.

Dispatcher: Sir, where are you calling from?

Caller: I'm at a pay phone. North and Foster. Damn....

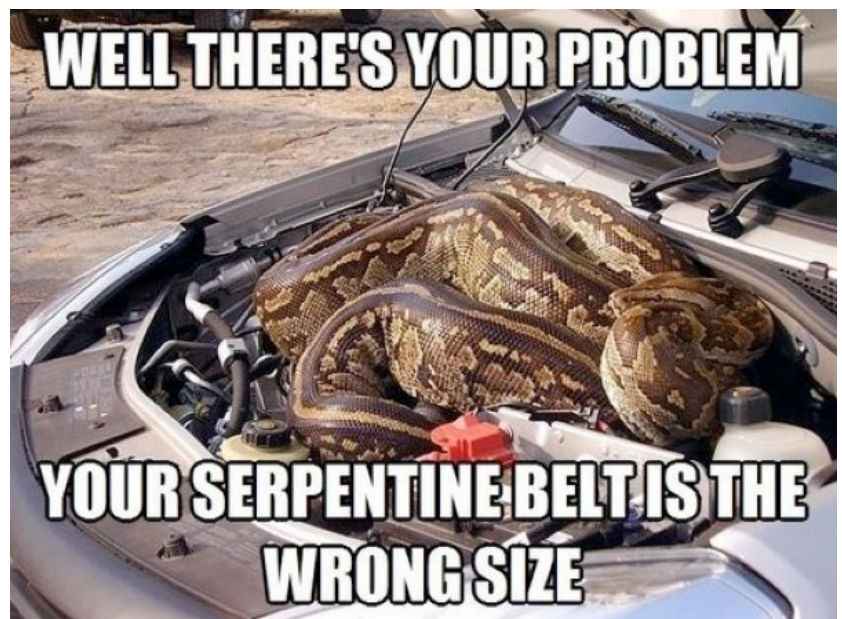

Dispatcher: Sir, an ambulance is on the way. Are you an asthmatic?

Caller: No

Dispatcher: What where you doing before you started having trouble breathing?

Caller: Running from the police.

Ken & Marie's Rescue Pony

Story submitted by Ken Jones

This Mustang was built during October of 1965 at the Ford Assembly Plant in Milpitas, located just outside of San Jose, California. The car was delivered and sold at Bock Motor Company, now Bluebonnet Motors, in New Braunfels, TX. It was purchased and used as a daily driver in San Antonio until 1987. Unfortunately, this Mustang became in dis-repair so the owner and parked it at a rented storage facility. The car was left outside in the hot Texas sun, torrential rain, and stifling humidity.

In August of 2005 we purchased the neglected Mustang from its second owner. We began disassembling the pony, treating rust, replacing parts, and adding new paint. This "Rescue" has been fun, challenging, expensive, and fulfilling. It has afforded us numerous blessings through many friends, both old and new.

Acts 2:21 "...everyone who calls upon the Name of the Lord shall be saved (rescued)."
