April 2017

Traci Stetler's Glass-Topped "Donna"

I got hooked on Mustangs by my first husband. He/we owned several during our marriage, and I really liked that I could get a V6 model with all the options of a GT without getting the 8-cylinder (fog lights, leather interior, upgraded cluster, etc.) The glass roof was one option I really wanted, but I couldn't find one in the V6 Premium models on any lot, and I also loved the sequential turn signals on the tail lights.

I had a 2010 that I bought off a lot and I was having problems with it. So, in October 2011, I ordered "Donna" (that's the name my husband gave her) so that I could have all the options I wanted. She came just in time for Christmas (December 23rd, 2011!)

I haven't really traveled anywhere special in Donna... yet! She was mostly a daily driver until I met Jay and we started putting her in shows, which was a little over a year ago. My first show was the Mustang Club's Fall show, and I've pretty much gotten something for every show except for our last one. I didn't realize there would be so many Mustangs there!

I have done some modifications to Donna: changed her tail lights, got a DRL splice-in for the turn signals, put in an aftermarket Nav with back-up camera, changed out the gear shift knob, and put a cling-on over the third tail light that says "Mustang." Jay installed a chip that is supposed to be giving me about 50 more HP,

but with a 6-speed manual its really hard to tell the difference. I also had a 1.5" extension installed on the clutch pedal, which I really didn't think would make that much of a difference - until the first time I drove Donna after it was installed!

One more thing that I have on the back burner is to have her striped, similar to a 1970 Boss 302. I have a friend who does that kind of thing and it's a little pricey but it will be worth it since it won't be vinyl tape, but painted on.

President's Path

Article by Paul Woeppel, President

By the time you are reading this, April will almost be in the history books, and May will be peeking around the corner. I want to personally thank all those who came out and took part in the Willow City Loop Cruise. It was a beautiful sight seeing all the cars cruising down the road. And, I have to tell you, the food at Backwoods BBQ was delicious, especially the Chocolate Meringue pie! The manager was very happy we made it our stop for lunch and said the entire staff had to look outside to see all the beautiful Mustangs that showed up.

We have plenty more activities already planned and listed on our website calendar as well as our Facebook event page. The upcoming Mustang picnic to Luckenbach and the cruise afterward will be just as fun as all any of our previous activities! Looking forward, we still have many upcoming events yet to be planned as well.

That said, it brings up my questions to club members: What activities do you want to participate in as a club member? Do you want to cruise to different towns or events? How about an overnight visit to Houston or Dallas (could be any city hosting) to visit a Mustang Club or Mustang event there? Or do you just fancy participating in a good car show or parade? These are the things that we, as the Board, want to hear from you, our valued club members. We know it is difficult for some members to make Saturday events, or even Sunday events. The Board definitely needs to hear from you about what days would be most convenient for you to participate in things. This helps us plan activities for days and times that have the most interest from members. For example, some members may prefer to do something on Friday evenings. In that case, we can see if there is enough interest to find a place on Friday nights to hang out, such as Biff Buzby's Burgers on Toepperwein Rd, or Bun and Barrell on Austin Highway. It can also be a new place where the San Antonio Mustang Club chooses to meet up and socialize.

Please remember, it is the feedback the Board receives from you, the club members, on those activities of interest that help us plan our events. Not everyone wants to do a car show or a parade, and not everyone wants to go cruising. We recognize and understand this. The Board just needs to know what your interests are. You'd be surprised how many others would hang out with you and participate in an activity that you suggested to the Board!! So we are going to get to work for you and put together a poll on our website. It will be accessible to members only when they log in so we can get some feedback. You can also email members of the Board to let them know what you'd like to do. Once we have more feedback, we can organize some of these future events. See you all at the next Members meeting on 3 May!

MESSAGE FROM THE EDITOR

Hello my engine-revving, tire smoking, meet-up, cruising and car show friends! We have had quite a few events going on through March and now into April. Last month my husband and I were sick and couldn't make it to many events. So I am counting on you all to send me some photos from all the events, meet-ups, cruises, and car shows you attended such as Biff's Burgers Friday Nights, Autorama, Friday Night Lights by Black Jack Speed Shop, Nitro Jam, and any other car enthusiast gatherings! **We need to post them in our Newsletter for everyone to enjoy.** I was lucky enough to attend the cruise to the Willow City Loop, just outside of Fredericksburg this past weekend. You can read more about it in this edition of our newsletter....

Send your articles, etc. and photos to:
rebeccadowda@yahoo.com

Submission deadline for the **MAY 2017** issue: the Sunday following the monthly Club meeting on May 3 - so that's Sunday, May 7th.

Thank you for putting your trust in me!
 Respectfully,

Becky Dowda

**San Antonio Mustang Club
 Editorial Statement of Purpose**

The purpose of the San Antonio Mustang Club's monthly newsletter, HOOFPRIENTS, is to provide the membership with information on Club activities, cruises, volunteer opportunities, various articles on topics relating to Mustangs, editorials, and an occasional humorous insert.

Any member who wants to contribute their own article, editorial, or letter to the Editor with comments on previous Newsletter contents, is welcome and encouraged to do so. This is a publication put together for the benefit of the Club and belongs to the Club members. Without the members, this publication would not be possible. Comments and suggestions are always welcome.

NOTE: Anything submitted for the purpose of publication will be reviewed and possibly edited. The Editor, with the President and Board, has the right to refuse any article or editorial if the content of such is considered offensive, vulgar, or of questionable material. Readers should also know that all content submitted by other members are opinions only, relating to the integrity of the person who submitted the article, and should not reflect as the opinion of the Club as a whole.

The San Antonio Mustang Club (SAMC) is a San Antonio-based Club that also encompasses surrounding suburbs and smaller cities. SAMC is the first and largest Mustang Club in San Antonio. The Club was started in 1980 with only a handful of Mustang enthusiasts that answered a newspaper ad and gathered in the Northstar Mall parking lot. The Club presently has grown to over 150 active members, with 80% being family memberships making the Club over 200 strong. We are dedicated to serving all those who own a Mustang, who are past owners, or who dream of owning a Mustang and just simply love the Ford-built muscle car. We work to educate Club members and the public about all generations of the Mustang and promote its appreciation. You do not have to own a Mustang to become a member.

If this is your first time attending our Club Meeting or reading this publication, welcome and thanks for choosing to visit! We encourage you to explore all that SAMC has to offer. Check out our website: SAMUSTANG.COM. If you have questions, please ask any member. If they can't help you or answer your question, they can definitely point you in the right direction!

San Antonio Autorama

The San Antonio Autorama was held on Friday, March 24th through Sunday, March 26th, 2017 at the Freeman Expo Hall. SAMC participated in Autorama by volunteering to get cars across the stage for the Kruse Auto Auction portion of the show on Saturday. Some members of SAMC also entered the show and won some awards!

Sorry folks, I didn't make this event due to family illness. Here's some great photos taken by Traci Tate (that Becky stole off of her Facebook page!) ...hey, an Editor has to do what she's got to do to get stuff for the Newsletter!!

If you have something to add about this event - photos, a story, etc. please send it to me for next month's newsletter. rebeccadowda@yahoo.com

BIFF BUZBY'S BURGERS

Dear Cruiser:

Biffs is wild about classic cars (all makes & models)! When we started Cruisin' Night 7 years ago we barely filled a quarter of the parking lot. Yet today it is getting hard to find a space.

We appreciate the fact that more & more people are joining us for the fun. As sole sponsor & organizer of "Cruisin' Night" we provide the place, labor, music/entertainment, outside beer booth, security, etc. all of which is strictly funded by your purchases. Biffs primary goal is to provide good food & service to our customers, the people who support us. **This includes parking spaces.**

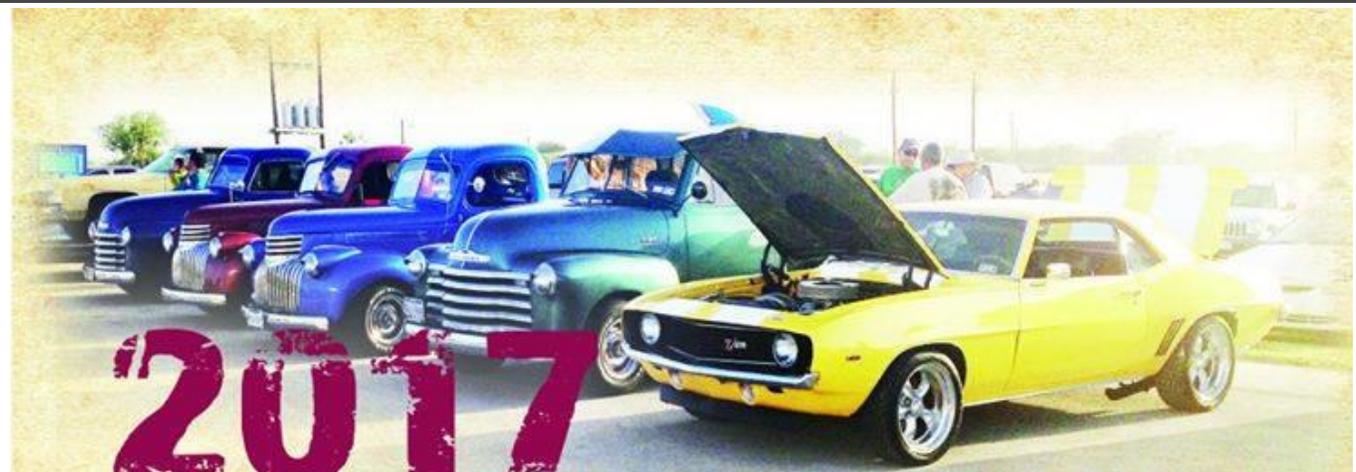

As a result there is a **\$5.00 cover charge (Cash Only) for each vehicle. This \$5.00 (a coupon) is redeemable on any food orders (dine in or take out) at Biff's.** We are forced to do this as too many are taking a space bringing their own beverage and food or purchasing elsewhere. We know this will continue but it will cost you \$5.00 for a parking space.

Parking lot rules:

- (1) Parking spaces are based on first come, first served; spaces cannot be held.
- (2) As we provide the music, we ask that all car radios, boom boxes, etc. be turned off.
- (3) No speeding or peeling rubber
- (4) Do not block any intersections, easement road, or other vehicles
- (5) Our restrooms are for our customers only.
- (6) Improper behavior will not be tolerated.
- (7) No vendors.
- (8) We close at 10pm. We respectfully ask that the parking lot be cleared by 11:00!
- (9) Please dispose of your trash either by taking it with you or in one of the trash cans we provide.

We enjoy everyone coming out for "Cruisin' Night" every Friday. All we ask is for your support and observance of the rules.

Thank-you for your cooperation.

Special Announcement for all Mustang Owners and Enthusiasts!

The Ford Mustang was first presented to the public on Friday, April 17th, 1964, over 52 years ago. Ever since that day, you have been able to go to any Ford Dealer and buy a new Ford Mustang. Over the years, there have been hundreds of different models and Special Editions. Shelby's, Saleen's, Roush's, McLaren's, Bullitt's, "K" Code's, GT's, Boss 302's, Boss 429's, MACH I's and so many more. The Mustang has appeared in hundreds of motion pictures. At one time, there were no less than seven magazines dedicated to the Mustang. If there ever was a car deserving of it's own museum, it's the Ford Mustang! Come celebrate the Mustang with us!

Finally! There is going to be a Ford Mustang Museum!

The Mustang Owner's Museum Ground Breaking Ceremony was held on July 30th, 2016 at 60 Pitts School Road in Concord North Carolina. Many state and local officials took part.

Well over a hundred Mustangs of all years, makes and model were on hand for the Ground Breaking Ceremony.

MUSTANG'S Creations Model 6

The Vision For The Mustang Owner's Museum

Our vision for the Mustang Owner's Museum is for it to be an always evolving Mustang experience, not just a static museum filled with the same Mustangs and Mustang memorabilia every year. We are going to be looking for Mustang enthusiasts to bring their Mustangs to the museum for events, for display, and to be involved, not to just come and look. We will want Mustang enthusiasts to wonder what they will see the next time they visit the museum and to set the museum's address in their GPS when traveling.

The Location

In February of 2016, a location was found in Concord, North Carolina approximately two miles from the Charlotte Motor Speedway. The address is 60 Pitts School Road in Concord, North Carolina. As of this writing, we are in the planning stages of building a new structure and parking area for the museum. The Ground Breaking Ceremony was held on July 30th, 2016.

Why Concord, North Carolina?

Concord is a very car-centric location for the east coast. Concord is also the home of the Charlotte Motor Speedway which brings hundreds of thousands of car minded enthusiasts to Concord every year. The city and county officials of Concord and Cabarrus County are extremely excited about Concord being the home of the Mustang Owner's Museum. They have made it very clear they will support the museum in every way they possibly can. Right there are three great reasons for the Mustang Owner's Museum to be located in Concord, North Carolina.

What events are being planned at the Mustang Owner's Museum?

We recently hosted our "Ground Breaking Dinner and Ceremony" which was the first of many Mustang events to be held during the building process. We hosted a dinner the night before to benefit the museum and Mustang enthusiasts brought their Mustangs to the event and took pictures of their Mustangs and themselves at the Mustang Owner's Museum building site during the Ground Breaking Ceremony. Also, a yearly event is already being planned to take place at the museum for National Mustang Day, which will be every April 17th.

Mustang Enthusiasts Support

Already, many people in the Mustang World have offered their support to make the museum exactly what our vision is. That is, a place where Mustang clubs can come and hold meetings, shows and displays, rally's and events to promote their clubs and the Mustang hobby. Most of all, we want everyone to enjoy their Ford Mustangs. Our vision is for the Mustang Owner's Museum to be the Clubhouse for the Mustang World. But this is all in the future. At this point, the museum is in the planning stages and you will be able to see the growth as the structure is built and the Mustangs start pouring in. If you are a Mustang enthusiast, the next year is going to be an exciting time for the Mustang World!

Future Information on The Mustang Owner's Museum

The official website will be the best place to receive all of the updated information on the Mustang Owner's Museum. If you would like to get on the Mustang Owner's Museum's e-mail list and receive updates about the progress and event dates, please go to the official website and sign up at www.mustangownersmuseum.com.

Be a Part of the Excitement!

The next year will be an exciting time as we build the structure which will house the Mustang Owner's Museum. During that time, we will be having many other events at the museum site such as our Ground Breaking Ceremony which was held on July 30th, 2016. Many of these events may spill out into other Concord properties such as the Cabarrus County Arena and the Charlotte Motor Speedway. You won't want to miss out on these events!

San Antonio Mustang Club History

This month's history goes back to the 1980's. I found some letters and planning of SAMC Car Shows, which were held at Sea World. I never was much of a history buff in school. In fact, I hated it. It wasn't until much later in life when I realized the importance of knowing our history. Same thing goes for our SAMC history. We need to stay in touch with where we started and all the events that helped us grow into the club we are today. Many thanks to Jack Klug and Roy Putz for their time and efforts of the historical preservation of our club! ~Becky Dowda

This article below was found in a box of SAMC History, along with the photo above. There was a sticky note on it that said, "1982." Another note also said, "SAMC and Austin MC have a Parade of Ponies, Austin, one of the first events by 1980 or 1981."

Here is the story, by Steve Sellers, from the "American-Statesman" Newspaper article.

Herd of Mustangs Parades into town

A bearded man clutching a soft drink walked up to the bright red, 12-year-old car and immediately dropped to his stomach to inspect the undercarriage. "I'd hate to tell you what I'd give to own this car," the man remarked. About a dozen others standing near the 1970 Ford Mustang Boss 429 nodded their heads in understanding.

Curt Schonenberg of Columbus is used to the comments about his car, one of the rarest models at Sunday afternoon's "Parade of Ponies" sponsored by the Mustang Owners Club of Austin. More than 90 Ford Mustangs—some immaculately painted and maintained, others looking near death—took part in the parade down Lamar Boulevard from 51st Street to downtown. A reception later was held at McMorris Ford at Sixth Street and Lamar Boulevard.

"We wanted to start out with this being just a little club event," said Jim Jackson, parade chairman and official in the 150-member club. "Then everybody started expressing an interest. The response has been incredible." By 1:30pm, 30 minutes before the parade began, more than 250 people had crowd-

ed into a parking lot at 51st and Guadalupe streets to look over the classic vehicles.

"We are fanatics, there's no question about it. We would really like for Ford to start building cars like this again," Jackson said.

The parade, led by a police escort, attracted scores of onlookers. Many stopped and pointed as the half-mile procession passed.

It took almost 15 minutes for all the cars to pull out of the parking lot on Guadalupe.

Yet no one seemed surprised that all the cars started. "They really don't build them like this anymore," said Schonenberg, who described most Mustang owners as a little crazy. "I guess I've got 10 or 15 of these

stashed away in one place or another."

He said he bought his Boss 429 about two years ago after a search of several years.

Only about 1,000 of the fastback cars were produced by Ford, and of those only about 250 recently were registered as being "bona

fide 429s" still in operation, he said.

"Believe it or not, this car gets 18 miles per gallon...anywhere you want to run it," he

said. In 1970 the sticker price of his car was \$5,200, he said.

Club officials said the parade participants came from as far as Fort Worth, Houston and San Angelo. Most came prepared with a selection of soft drinks, beer and food, as

well as music from the 1960s. One of the participants, Sam Gorena of Austin, said he

has driven his red 1966 Mustang about a

year, and he's sold on the car.

"My dad always wanted to get one...and this one won first place in a show in Oklahoma

City," he said. "You know, you get a lot

more for your money with these cars than

you do today."

As an Austin police officer signaled the beginning of the parade by motioning for the

owners to "start their ponies," a harried young man drove up to the end of the line in

a dirty white 1967 model. He apologized for the appearance of his car. "I couldn't get

into a car wash anywhere around her," he

said.

"GUESS WHO"

There I was, less then a year old, setting on a "New Car Lot" with all those other GT's and LX Mustangs. Some blue, white and red, but for some reason I felt sooo much sexier with my black sleek body and red stripe, my sporty spoiler on the back gave me that extra special touch. My sunroof on top added even more to my sexy and romantic side, for those rides under the stars and moon nights (gosh, I really hope some young and romantic couple buys me). I'm just as sexy inside, with my beautiful interior, and at night my dash is so colorfull, its hard for anyone to keep their eyes on the road, and not on my gauges. I have so many great features (some may think I'm a bit vain), but these two features really excite me, my lumbar seats, ahaaaa how relaxing(except when some people can't make up their mind and their inflating, and deflating me, inflating and deflating), but the part that's really great in my 5.0 , V8 engine. I'm so fast, yet so smooth and gentle to hold (on the road that is), you feel like your flying through the air.

Well enough about me, this one couple came to see me twice (they didn't seem young and romantic), but they really did love Mustangs, they kept talking about some '67 Mustang they had, and felt bad about selling ~~it~~ (guess those"ole greenbacks" must had been prettttty tempting).I would'nt mine having them as owners, but I sure hope since there not very young, they don't putt, putt me around like some old "Grandy"! Well, they just put a SOLD sign on me, and let me see, it says JIM & ROSE HANNASCH.

P.S.: They told me if I wanted to stay in the garage, I better say they were young and romantic!!!!!!!!!!

Dear Randy,

It is with great pleasure that I write this letter of thanks to you and your staff.

As we know the 25th Anniversary of the Mustang show, sponsored by the San Antonio Mustang Club, is just around the corner. Since the idea was conceived, we have gone thru numerous meetings with Sea World and the show committee to establish a workable comprehensive chronological agenda which will ensure that every detail of the show is covered in a timely manner.

One of the most important aspects of the show is the restoration of the 1966 Mustang that is to be given away the day of the show. This car is the major source of advertisement for the show and also will provide large sums of money for Ronald McDonald's House. Naturally, a lot of attention was given to the restoration of the car. At first, I thought that everything was taken care of since Red McCombs Ford had agreed to do the complete restoration. Suddenly, they decided not to do it. Immediately the show committee got to work and the car was painted at Maaco on Rhapsody, the engine compartment was done at Steve's Paint Shop. I also had firm commitments from Bob's Mustang and Alamo Classic Mustang to complete the restoration, all of a sudden we had problems with Bob's Mustang and we were in a real bind, what a let down.

I did not know where to turn; however, my sadness and worry was short lived due to Alamo Classic Mustang.

This is not the first time Alamo Classic Mustang has demonstrated a total dedication to the show and our club. Your participation in our club activities shows the interest that you have not only for our hobby but also for the entire membership.

San Antonio Mustang Club History

As the show chairman and as a member of the San Antonio Mustang Club, I can not thank you enough for what you have donated in time, labor and parts for the restoration of the car, but also for answering the phone to provide information about the show. Friends like you and Alamo Classic Mustang are hard to come by.

I will make sure that Alamo Classic Mustang is recognized as our major sponsor for the show, and at the same time I will present this statement of facts to the entire membership of our club.

Again, my sincere thanks and wish you a great success.

Respectfully,

Robert Boughton, Jr., Ph.D.
Show Chairman

Dear Mustang Enthusiast:

The San Antonio Mustang Club and Sea World of Texas are happy to announce a 25th Anniversary Mustang Show on Saturday, April 15, 1989. This will be a benefit show to raise money for the Ronald McDonald House.

The show will be held at Sea World of Texas, a 250 acre marine life park, located in the northwest part of San Antonio (map enclosed). This beautifully landscaped park is a gorgeous setting for a car show. In addition, the registrants and their families can enjoy the numerous shows and attractions that the park offers.

Fifty-five trophies will be awarded in fifteen popular vote classes. Sea World is providing two Sea World tickets (a \$44.00 value) with each car entered in the show. Extra tickets can be purchased at a 15% discount.

Because the show is being held inside Sea World, we have a limit on the number of cars we can accept. Therefore, IT IS NECESSARY THAT YOU PRE-REGISTER YOUR CAR(S) BY APRIL 1, 1989, TO GUARANTEE A SPOT.

Cars must be moved into the show site between 6:00-8:30 a.m. the day of the show. All cars must be in place before Sea World opens. Cars arriving after this time will not be allowed to enter. Once your car is inside, it cannot be moved until the park closes. Also, it is absolutely necessary that you provide a drip pan for your car.

Your registration should be accompanied with a small photograph of your car. The photograph will be returned.

We have an excellent show planned and hope that you can join us on April 15. For information, call 512-647-8264 (days) or 512-653-6046 (anytime).

Respectfully,

Robert Boughton, Jr.

Jokes below taken from www.ajokeaday.com

Go Ahead & Do It—

A police officer talks to a driver, “Your tail light is broken, your tires must be changed, and your bumper hangs half-way down. That will be \$300 dollars!” The driver pauses and says, “Alright, go ahead and do it. They want twice as much at the garage.”

Coffee Anyone—

Why did the coffee grounds call 911? Because they got MUGGED!!

Where Were You—

An older police detective stopped by my house and asked, “Where were you between 5 and 6?” I respectfully replied, “Kindergarten, sir.”

I Win—

A cop pulled me over and said, “Papers.” I turned to him and said, “Scissors! I win!” And then I drove away.

Knitting on the Road—

A police officer saw a woman knitting as she was driving. He could not believe his eyes. He yelled at her to pull over. She rolled down her window and yelled back, “No, it’s a scarf!”

Two State Cops—

Q: What do you get when you put two state cops in an airplane?
A: Paratroopers.

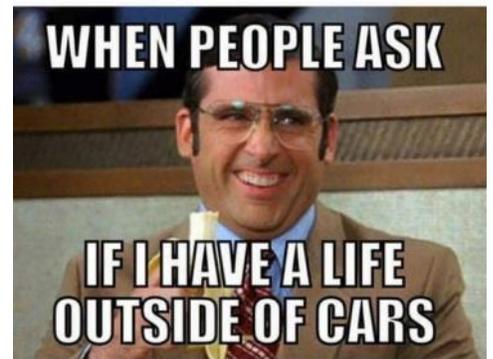

Police & Insomnia—

Q: Why did the policeman take the woman with insomnia to jail?
A: Because she kept resisting a rest.

A New Hobby—

I have found myself a new exciting hobby. I get in my car in the morning and drive to the nearest highway. Then I park on the side with my window open and a hairdryer pointed out of it. It’s amazing how all the cars slow down!

FUNNY THINGS FOUND ON THE WORLD WIDE WEB...

Willow City Loop Cruise

I am so very glad that I participated in the Willow City Loop Cruise on April 8, 2017, as it was definitely a cruise to remember! There were 20 Mustangs and 2 Ford Lightning trucks that made up our posse as we headed out of the parking lot of Lowes and onto IH-10 towards Comfort. We stopped at a Love's truck stop to fill up our gas tanks and empty our human ones! (LOL) It was a great opportunity for a photo shoot as well. Next we were off Fridericksburg and then to Willow City Loop. I hadn't ever traveled to this hill country spot before to see the bluebonnets in full bloom. You've heard folks talk about Disney World, how you can't see it all in one day. That's exactly what I was thinking as I was cruising with members of San Antonio Mustang Club and Wild Side Stangs of San Antonio. There was so much to see... Gorgeous scenery of hills, Mustangs, flowers, streams, Mustangs and wildlife, and Mustangs!! The group found a spot on the side of the road where all of us could line up in two's underneath a beautiful cliff. It was so peaceful, as you could hear the stream flowing in the distance. It was hard to leave when I saw we had reached the end. Like a roller coaster ride that ends too fast, I wanted to go back on the loop again! But the posse was ready to eat and so we headed towards Backyard Bar-B-Q in Fredericksburg. This place was amazing! The food was succulent, and the bark on the brisket and ribs was incredible!! I ate like a pig and took a bunch home for later. It was a fabulous day running with the 'stangs of San Antonio! ~Becky Dowda
