## Adding to Our Mustang Family

Owner / Story by Michael Dowda

It all started back in 2007 when my wife and I purchased our first Mustang. It was a silver V6 with an upgraded sound system. My wife drove it to work and loved the heck out of it, until one day... We traded it for something with a lower payment to try to get approved for a house we were building. Talk about your seller's remorse! We regretted that decision for quite a while.

In the meantime, we started a family and life went on. Fast forward to 2016, and my wife wanted another Mustang, so we got a 2016 GT Premium. Again, it became my wife's baby, and we joined MCA and the San Antonio Mustang Club. She began showing her car and going on club cruises. Meanwhile, there I was... Dreaming of having my own Mustang...

I told my wife I was feeling left out and she allowed me to start looking. As luck would have it, she found a 2007 GT automatic, located in Austin, for a fair price and drove to look at it. It was in pretty good condition so we bit the bullet and put money down to finance my dream.

Since purchasing it, I have caught the car mod "bug." First I bought new rims and tires. The old rims I sold to Bea and Jerry!! I had Jordan Ford do an inspection to ensure everything was in good order. We had to replace the tie rods and the battery. Then I tinted all the windows, added a Bluetooth stereo system, and an alarm. I have changed out the tail lights, put red L.E.D's in the interior, installed halo lights on the front and have started applying black carbon fiber vinyl to the dash.

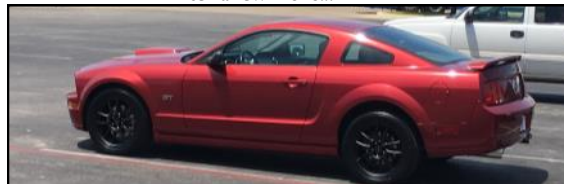

I am enjoying driving my new "toy" to work almost every day, and sometimes I let my wife drive it. Most importantly, I can now participate in all the fun activities that SAMC offers without feeling left out. I can't wait to do more mods and have tons of experiences and memories in my beautiful red fire Mustang!

Day 1 - Before Mods

After a few mods...

## President's Path

Article by  
Paul Woeppel,  
President

Fellow San Antonio Mustang Club Members,

A couple of weekends ago, a few of us drove over to Houston to check out "The Woodlands Cars and Coffee for a Cause," sponsored by Northside Mustang Car Club of Houston. I have to tell you, they put on a great show with the donations received going to charity. If you ever get a chance to attend, I highly recommend it.

An outcome of that event was Randy Weldon, President of NMCC, and myself discussing the possibility of our clubs working together as sister clubs to support each other's events. Both SAMC and NMCC are MCA Regional Chartered Clubs which makes this an even better partnership. At our Wednesday Chapter Meeting on June 7th, it was brought up as a proposal and unanimously approved by the Members.

I share this good news with you because both Randy and I are excited to work together to support each other's efforts! Additionally, it gives us both reasons to visit each other's cities, and as Randy put it, "we get to meet some more of our Mustang Family and grow our Mustang Nation!"

Thank you Randy and all of the NMCC Family for helping us start this great partnership! Check out their website and events page. NMCC has a lot to offer!

<http://www.northsidemustang.org/index.html>

That said, I know many of us were looking forward to our Annual Summer Picnic. Due to the uncertainty of the weather we decided to reschedule it. Our illustrious Vice President, Greg Polizzi, has taken on the task of finding a location and setting up the activities for an August/September timeframe. Be on the lookout for it!

In closing, I want to wish everyone a safe and fun Summer!

## MEET YOUR 2017 BOARD MEMBERS

"Coming  
together is a  
beginning,  
staying together  
is progress, and  
working  
together is  
success."

## Ready to join SAMC?

Single memberships are \$15/year and Family memberships are \$20/year. There is also a one-time initiation fee of \$10. Upon payment you will receive 1 Club T-shirt for a Single Membership or 2 Club T-shirts for a Family Membership. Benefits include discounts with special retailers, Club cruises and many other adventures throughout the year. You can join online through our website! At the end of the sign up you will have the payment option of online payment (credit card) or print the invoice out and mail it in with your payment. Once you are a current member, you can renew your membership and/or update your personal profile information online.

Those who join MCA will receive a \$5 discount when you renew your membership.

## MESSAGE FROM THE EDITOR

If you're reading this Newsletter, then it's a reasonable assumption that you enjoy it. I depend on you and others to help me keep this Newsletter alive and beneficial to all members by sending in articles, stories, ideas for stories, photos, jokes, recipes... **We need photos and stories to post in our Newsletter for everyone to enjoy. Please, please, puh-leeeeeeze!!!**

### I HATE TO BEG, BUT YOU'VE LEFT ME NO CHOICE...

Send your ideas, articles, etc. and photos to:  
[rebeccadowda@yahoo.com](mailto:rebeccadowda@yahoo.com)

- Submission deadline for the **JULY 2017** issue:
- Always the Sunday following the monthly Club meeting.
- Meeting is July 5th - so that's Sunday, July 8th.

Thank you for putting your trust in me!  
 Respectfully,

Becky Dowda

## San Antonio Mustang Club Editorial Statement of Purpose

The purpose of the San Antonio Mustang Club's monthly newsletter, HOOFPRIINTS, is to provide the membership with information on Club activities, cruises, volunteer opportunities, various articles on topics relating to Mustangs, editorials, and an occasional humorous insert.

Any member who wants to contribute their own article, editorial, or letter to the Editor with comments on previous Newsletter contents, is welcome and encouraged to do so. This is a publication put together for the benefit of the Club and belongs to the Club members. Without the members, this publication would not be possible. Comments and suggestions are always welcome.

**NOTE: Anything submitted for the purpose of publication will be reviewed and possibly edited.** The Editor, with the President and Board, has the right to refuse any article or editorial if the content of such is considered offensive, vulgar, or of questionable material. Readers should also know that all content submitted by other members are opinions only, relating to the integrity of the person who submitted the article, and should not reflect as the opinion of the Club as a whole.

The San Antonio Mustang Club (SAMC) is a San Antonio-based Club that also encompasses surrounding suburbs and smaller cities. SAMC is the first and largest Mustang Club in San Antonio. The Club was started in 1980 with only a handful of Mustang enthusiasts that answered a newspaper ad and gathered in the Northstar Mall parking lot. The Club presently has grown to over 150 active members, with 80% being family memberships making the Club over 200 strong. We are dedicated to serving all those who own a Mustang, who are past owners, or who dream of owning a Mustang and just simply love the Ford-built muscle car. We work to educate Club members and the public about all generations of the Mustang and promote its appreciation. You do not have to own a Mustang to become a member.

If this is your first time attending our Club Meeting or reading this publication, welcome and thanks for choosing to visit! We encourage you to explore all that SAMC has to offer. Check out our website: [SAMUSTANG.COM](http://SAMUSTANG.COM). If you have questions, please ask any member. If they can't help you or answer your question, they can definitely point you in the right direction!

## Could This Be a Rare 4x4 FF Ford Mustang?

Story copied from: <https://www.gasmonkeygarage.com/rare-4x4-ff-ford-mustang/>

By: Jonathan - June 8, 2017

Could a super rare Formula Ferguson (FF) Ford Mustang have found its way to a classified ad in the Netherlands? The owners of 27 years say, yes; however, we remain skeptical. Let's investigate...

In the early 1960's the Ferguson P99 Formula One racecar would win the Oulton Park race running a four-wheel drive system. In 1964, Ford was wanting to expand on the new and popular Mustang, from potentially building four-door models to four-wheel drive models. As a result of the latter, Harry Ferguson would take a crack at applying his FF system to a Mustang. It is well documented that the company would imply their FF system on a Mustang at Ferguson Research Ltd. in England. In fact, two 1964 hardtop Mustangs were sent over, one to be modified and one to serve as a control. Due to fear of the production cost being too high the idea was nixed and the prototype, and only documented FF Ford Mustang, would find its way to the [Tampa Bay Automobile Museum](#) in 2009.

This alleged FF is a 1970 convertible, about as opposite as you can get from the known FF in Tampa. Due to the fact that Ford scrapped the FF Mustang idea years before this car was even built would indicate that it is not an authentic FF. However, without looking through all of Ferguson Research Ltd.'s projects there is no way to be one-hundred that maybe they didn't do one more later on for a customer or friend. And if one were to resurface it would almost certainly be in Europe, as this one is.

For more information and pictures visit:

<http://www.classics.nl/klassieker/33123/aangeboden-ford-us-mustang-ff-formula-ferguson-4x4#photo1>

## Pulsing Start Button

Story copied from  
*The Mustang Times*  
Volume 41 No. 05 (page 11)

Here's some 2018 Mustang trivia: Do you know why the new push-button start button pulses 30 times a minute? That's because it matches the resting heartbeat of a real mustang pony. Among the many updates on the 2018 Mustang, the start button pulses red when the door is unlocked and until the engine is started, giving the Mustang a heartbeat of sorts. At a rate of 30 beats per minute, the start button mirrors the resting heart rate of a real pony. The new ignition button is one of many changes customers will see when the 2018 Mustang reaches showrooms this fall. Other highlights include a 12-inch all-digital, customizable instrument cluster, an available 10-speed automatic transmission, and a redesigned front and rear end.

## 2018 Ford Mustang Has a Pulsing Start Button? Sold

Story copied from *The News Wheel* at <http://thenewswheel.com/2018-ford-mustang-has-a-pulsing-start-button-sold/>  
Article added on April 24, 2017

So, chances are pretty good that if you are considering picking up a [2018 Ford Mustang](#), you're already sold on it for a number of reasons.

Maybe it's just the fact that you've always wanted to buy a Mustang; after all, it's a quintessentially American car, and you are probably a red-blooded American in that you have red blood and are also American. Maybe you are impelled by its power, its style, or its presence. Maybe you just like cars named after horses. Whatever. No judgment.

But if you need that extra little incentive to push you over the edge and lock you into buying a new Mustang, try this on for size:

<https://www.youtube.com/watch?v=r3xUihzguyQ>

Is that start button...pulsing? Like...like a heartbeat? Why, yes, it is. Does that mean that your 2018 Ford Mustang is alive? Is the new Mustang a sentient creature capable of emotions? No. At least it probably isn't anyway.

The start button for the 2018 Ford Mustang does pulse at a rate of 30 beats per minute with a soft red glow in order to emulate a heart pumping red blood. American blood? So very American. It's also encased in a spun aluminum ring, just like your ordinary human heart.

And there you have: the single most compelling aspect of the 2018 Ford Mustang, and the factor that is most likely to be cited by customers when asked by dealership salespeople what brings them in. They'll say, "gee, dealership person, I'm here because I want the car that does the heartbeat thing." And the dealership person will just nod, smile, and walk them over to a Mustang.

## SAMC Meeting & Club Newsletter Information

### MONTHLY MEETING

Meetings are always held on the first Wednesday of the month at Matamoros Restaurant. Start time is 7:00pm. Show up early, eat your dinner with us, and socialize with other members before the meeting.

We meet in the restaurant's party room that can seat 120 comfortably. The food is delicious, fast, and priced right! Service is always excellent too. Matamoros Restaurant is located at 12844 IH-10 West, San Antonio, TX 78249.

### Meetings:

- July 5, 2017
- Aug 2, 2017
- Sept 6, 2017

### CLUB NEWSLETTER

The San Antonio Mustang Club Newsletter, "HOOFPRINTS" is one of many benefits that come with membership. We need your stories to make it a success.

Becky Dowda can only do so much on her own as the Editor! If you would like to submit an article, photos, topic, or general information to be included in the Newsletter, send it via email to: [rebeccadowda@yahoo.com](mailto:rebeccadowda@yahoo.com)  
**\*\*Due by the Sunday after club meeting**

**Notify a Board Member of any activities or events you are interested in. Better yet, why don't you plan a group activity or event and invite everyone from the club to attend?**

## **DON'T FORGET ABOUT CARS AND COFFEE**

**2nd Saturday of Every Month!  
Oak Hills Church, Lot F  
19595 IH-10 W, SATX**

SAMC Members,

Please come out and volunteer to help SAMC support San Antonio Cars and Coffee. This event brings up to 300+ cars at each event. Our job is helping with guiding cars into Cars and Coffee and making sure no one does anything to cause problems during the show (i.e. loud noise, engine revving, burn-outs, etc) . So, grab some coffee on the way and enjoy looking at some great cars.

Paul Woepfel

## IT'S FINALLY HERE - CRUISIN 2017!

Featuring Band

"JACKIE & THE DUKES OF COOL"

**Cruisin' Every Friday 6PM TO 10PM**

(Weather Permitting)

**March 31st thru November 17th**

### BIFF BUZBY'S BURGERS

Dear Cruiser:

Biffs is wild about classic cars (all makes & models)! When we started Cruisin' Night 7 years ago we barely filled a quarter of the parking lot. Yet today it is getting hard to find a space.

We appreciate the fact that more & more people are joining us for the fun. As sole sponsor & organizer of "Cruisin' Night" we provide the place, labor, music/entertainment, outside beer booth, security, etc. all of which is strictly funded by your purchases. Biffs primary goal is to provide good food & service to our customers, the people who support us. **This includes parking spaces.**

As a result there is a **\$5.00 cover charge (Cash Only) for each vehicle. This \$5.00 (a coupon) is redeemable on any food orders (dine in or take out) at Biff's.** We are forced to do this as too many are taking a space bringing their own beverage and food or purchasing elsewhere. We know this will continue but it will cost you \$5.00 for a parking space.

#### Parking lot rules:

- (1) Parking spaces are based on first come, first served; spaces cannot be held.
- (2) As we provide the music, we ask that all car radios, boom boxes, etc. be turned off.
- (3) No speeding or peeling rubber
- (4) Do not block any intersections, easement road, or other vehicles
- (5) Our restrooms are for our customers only.
- (6) Improper behavior will not be tolerated.
- (7) No vendors.
- (8) We close at 10pm. We respectfully ask that the parking lot be cleared by 11:00!
- (9) Please dispose of your trash either by taking it with you or in one of the trash cans we provide.

We enjoy everyone coming out for "Cruisin' Night" every Friday. All we ask is for your support and observance of the rules.

Thank-you for your cooperation.

# 2017 FRIDAY NIGHT FEVER

JOIN US EVERY 2ND FRIDAY OF THE MONTH IN CASTROVILLE, TX.

## Why Join The Mustang Club of America?

The San Antonio Mustang Club is a charter member of the Mustang Club of America (MCA) which is the largest organization of Mustang enthusiasts in the world. If you are a member of MCA, then you will receive a discount on your membership to SAMC.

There are also other benefits to consider as a member of MCA:

- FREE Classified (non-

business) advertisements in the "Mustang Times" (Official Publication of the MCA), and on the MCA Website.

- "Mustang Times" is published monthly, and full members receive hard copy delivery of the magazine.
- On the MCA Website there is a "members only" section with Club news and features.

- All members will receive (2) two MCA windshield decals.
- All members receive members-only discounts, including Ford X-Plan pricing on new Ford vehicles.
- You can find special MCA gear at the MCA store online.  
[www.mustang.org/store/](http://www.mustang.org/store/)

## MCA 2017 NATIONAL SHOWS

At past SAMC Meetings, Tom Bader gave us all some great information about upcoming Mustang Club of America National Shows. The last one for 2017 is a Grand National show in Kansas City. Tom encouraged all SAMC Members to put a National MCA show on their bucket list, saying "it's a great time to meet others!"

### GRAND NATIONAL GOING TO KANSAS CITY

August 25-27, Overland Park, KS  
Overland Park Convention Center  
Mustang Club of Greater Kansas City

SAMC is currently making plans as a group, headed by Tom Bader, to attend the Grand National show, going to Kansas City. The show is scheduled for August 25-27 and hosted by the Mustang Club of Greater Kansas City. Although events and activities are subject to change, the MCGKC promises opportunities for attendees to enjoy the KC metropolitan area's restaurants and entertainment venues. Here is the itinerary posted in the Mustang Times Volume 41, No. 1, Page 11:

**Friday Evening, August 25:**  
Welcome Reception and Tailgate Party. Wear your favorite team apparel and enjoy Zagat rated Kansas City BBQ and beverages while playing tailgate games.

**Saturday Evening, August 26:**  
Open evening with off-site venue packages, including choices of Downtown Kansas City Tour, Top Golf Experience, Shopping and Dining Tour, and Plaza Cruise down Ward Parkway to the famous Country Club Plaza for shopping and dining.

**Sunday, August 27:**  
Breakfast buffet followed by awards ceremony and Sunday Cruise to a local entertainment venue.

By the way, there's a Mustang show too, to be held at the Sheraton Overland Park Convention Center adjacent to the host Sheraton Overland Park Hotel.

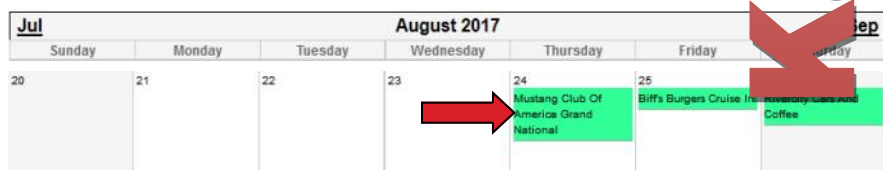

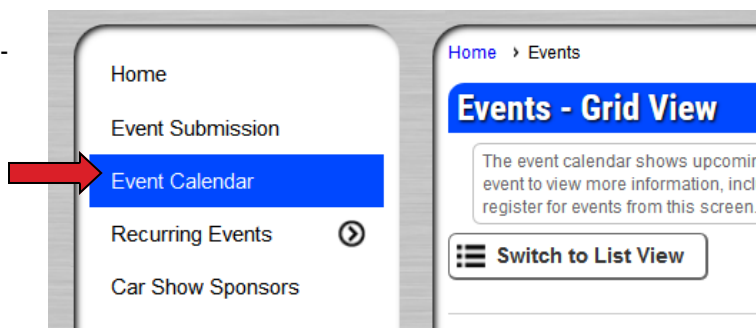

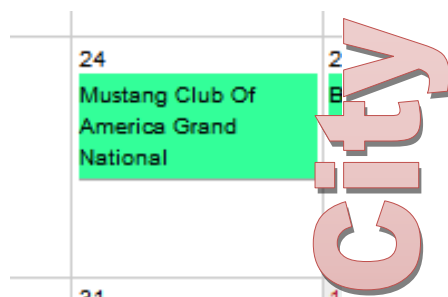

Registration is open now at  
[www.mustangclubofgreaterkc.com](http://www.mustangclubofgreaterkc.com)

From home page, click on link to "2017 MCA Grand National."

Tom said that preliminary plans are to leave on Thursday, August 24 and drive about half-way, possibly stopping in Norman, OK for the night. He said that those that want to can cruise into Oklahoma City to enjoy their river walk and other night activities. In the morning the group will depart and go the rest of the way to Kansas City. Tom is planning to return on Monday, however folks are free to leave on Sunday if they want.

BE ON THE LOOKOUT FOR MORE INFORMATION FROM TOM BADER on when/where SAMC Members will meet up and cruise together to this show.

Please sign up on our website:  
[www.samustang.com](http://www.samustang.com)

## MCA Nominating Committee is accepting Submissions for Positions on the National Board of Directors of the Mustang Club of America

*I received the following email since I am a member of MCA. If you are a member, then you also should have received this email. If you are not yet a member, then please consider joining. Here is the email below. ~Becky Dowda*

**WANTED: People who have the Love for the MCA and the Energy and Dedication to help make the MCA the most Premier Car Club in the World!** This is the time of the year when the MCA Nominating Committee accepts submissions for positions on the National Board of Directors of the Mustang Club of America. We are represented all around the world by different Mustang clubs and that number continues to grow. We are hereby seeking hard-working, dedicated men and women who want to become part of this great team by running for a position on the Board. You might ask, Why me? So I'll ask you, Why not? I asked the same question also and I'm glad I did. Don't be afraid to jump in and get your feet wet. It is so worthwhile. At the end of December 2017, several of our current directors terms will expire. It's time to submit your name and a short Bio for nomination to one of these positions.

You must be a current member in good standing of the MCA and 18 years of age before October 1, 2017, to serve on the Board of Directors. Please remember that serving on the Board in any capacity is not simply a name-only position. You will be required to put forth a lot of effort, time and personal expense to attend Board of Directors meetings. Bylaws state that the Board is required to meet four to six times a year. Each year the BOD members vote on meeting locations. Board members usually sit on at least one committee and will be required to attend meetings of those committees. Some meetings are held before the BOD meetings and some by way of conference calls. As with any organization, there are many items to discuss and evaluate. Items passed in committee meetings will be presented to the Board for a vote. The Board operates as a business and is accountable to its members.

Some of the responsibilities are talking to regional club representatives and their new members by phone. You will also represent the MCA at any National, Grand National, and Regional events you attend. Remember, as a Board member, you're a visible extension of the MCA and will need to conduct yourself as such. You will not be compensated monetarily. Your satisfaction will be knowing that you played a part in running the largest Mustang car club in the world. Please give this opportunity serious consideration. The goal of the MCA is to have representation from all areas of the world.

To make your intentions known, you must submit a Biography of no more than 300 words to the Nominating Committee before July 21, 2017. Bios longer than 300 words will be edited for space. In addition, you must include your Name, MCA Number, full address, local club affiliation, and office held within the MCA or Regional Club. A good, recent high resolution photo of yourself must be submitted as part of your Bio. Your picture and Bio will run in the September issue of Mustang Times, along with a mail-in ballot. Elections will take place in the month of September 2017. One ballot per MCA number is sent, and active MCA members over the age of 18 are allowed to vote for the Board of Directors. The positions on the Executive Committee are elected by votes from the Regional and National Directors.

The Deadline for submitting your Biography and photo is July 21, 2017. Please send YOUR information to:  
[nominations@mustang.org](mailto:nominations@mustang.org) - OR - Mustang Club of America, Inc., 4051 Barrancas Ave., PMB 102, Pensacola, FL 32507.

If you have questions, please contact one of the Nominations Committee Members:

- Terry Trusdell, 127 Lakeside Drive NW, Kennesaw, GA 30144; Phone: (678) 777-6643
- Susan Beels, 500 Daytona Drive, Hardy, VA 24101; Phone: (530) 309-8980
- George Magro, 807 Burns Road, Milford, MI 48381; Phone: (313) 920-9818

## San Antonio Mustang Club History

This month's history I am featuring some articles written by Jack Klug that were printed in past editions of Hoofprints. First one is Jack's story about the 25th Anniversary of SAMC (2 pages). Next ones are Part 2 and Part 3 of "Decoding Your Mustang Warranty Plate" (4 pages). Last one is Jack's article about Mustang Literature (1 page).

### SAN ANTONIO MUSTANG CLUB'S 25<sup>TH</sup> ANNIVERSARY

Twenty-five years ago this month, February 1980, I was scanning the classified section of the newspaper and ran across a very small ad inviting anyone interested in forming a Mustang club to come to some pizza place out by Lackland AFB. It was bitter cold and windy, so Barb decided to stay home with the kids. I drove our silver blue 65 coupe, my daily driver for 15 years, out to the meeting and found about 25-30 Mustang enthusiasts. The only people I remember were Mark Cumberland(now co-owner of Alamo Classic Mustang), Lee Roy Meadows(co-owner of B&M Automotive), and Rusty Mahan(local car icon known by most car enthusiasts). The meeting was called by Tom Johnson(now Kubler) and an older couple whose name is long gone.

Another meeting was set later in the month at North Star Mall by the boots(picture on left). It was better weather so the large crowd got to kick tires, visit, and come up with the name for the club. The first meetings were at Shakey's Pizza on San Pedro. Over the years we met at 3 or 4 pizza places(and were probably responsible for shutting Shakey's down), Shoneys, Ryan's Family Steakhouse, the Blue Ribbon Grill, Mike's Sports Bar, and a number of other places. The first elected officers were Mark Cumberland, President; Tom Murray(now General Sales Manager at Jordan Ford), Vice President; Kathy Angell, Secretary; and Jack Klug, Treasurer(surprise). Dues were set at \$2.00 a month, and yearly dues was not an option until 1981. Mark Cumberland and I starting putting together a newsletter, which we set up as 6 times a year not monthly(not enough information to do a monthly). We only did one issue, December 1981, before Ray and Barb Smith joined the club and took over. Barb Klug won a contest naming the newsletter. The club logo, which we still use, was designed by Tom Johnson(Kubler).

Early activities were met with tremendous enthusiasm and always produced good turnouts. We did not put on our own Mustang show until March 1983(at Bob's Mustang Parts in Universal City), but we attended all the local rod runs and South Texas Truckers shows. We had a volley ball team that competed against other car clubs; we had a baseball team which played the Camaro Club one time and then disbanded, we bowled, and we attended the Texas State Shelby meet, usually held in the Dallas/Ft. Worth area(but 1 in Waco, 1 in College Station, and 1 in San Antonio) beginning in October 1980. The state Shelby meet, later called the Texas Nationals, was run by Rusty and Earlene Mahan and William and Freda Guyon. They did everything and then relied on volunteers to help with the racing on Saturday and car show on Sunday. Usually the headquarters was at a small motel, and the Mustang groups took over the entire place. Tire kicking was a favorite sport at the motel, usually helped along with a few beers. Normally the club took 10-15 cars to the event.

Barb Klug

Mark Cumberland

## San Antonio Mustang Club History

This was a very exciting time. I saw cars I had not even heard of or seen. Mark Cumberland had 2 Shelybs. Another member, Jerry Nassar, had 3 Shelybs. Sidney Perales, who now owns a local limo service, had a California special. But at the Shelby meet you saw every kind of Shelby, every kind of Cobra, Panteras, and every possible kind of Mustang. A well-to-do Dallas area guy, Rick Nagel, was putting together a Shelby Museum and was buying all the rare early cars: Cobras, Cobra Daytona Coupe, GT 40, Thunderbolt, Tigers, and Falcons. Carroll Shelby donated some of his collection to Nagel, and Rick would get his friends to bring out many of his cars—and many were raced. Unfortunately the Shelby museum never was built. Financial problems and some illegal stuff, according to rumor, destroyed his dream. Carroll Shelby's cars were taken back, and many of the other cars were sold.

Four other highlights of those early years are worth mentioning. In January 1982 our club went to Austin to participate in the Mustang Owners Club of Austin's "Parade of Ponies." (picture to right) They were a new club like us, and it was the beginning of a long-term relationship with them. Between the two clubs, we must have had around 40 cars that paraded throughout Austin and then met at a local Ford dealership.

Another important and memorable highlight was our involvement in the Hill Country Swap Meet and Car Display with the Vintage Car Club of Fredericksburg. In July 1982 a number of club members went to that swap meet to set up a car display. After talking with members of the Fredericksburg club, most notably Charlie and Vivian Keeling, and Stan and Rose Young, we were invited to help put on the swap meet the next year. We accepted. From 1983-1994 our Club spent the last weekend in July in Fredericksburg handling the concessions at the swap meet for a 40% share of the profits. And profitable it was. The first year we only made \$220 but in 1994 we made almost \$3900.

The third highlight of the early years was the Texas Auto Club Council(TACC), a San Antonio organization of car clubs. It was a great idea and a lot of fun. Each year, beginning in 1983 we had a giant picnic with all the clubs and a number of years we set up club displays at the Convention Center for our annual car show. Mike Frazier designed a number of great displays for the club. Unfortunately TACC only lasted a few years.

The last highlight of the early continues to this day. In 1984 the club decided to begin supporting a local charity. We began with Elf Louise for a 5 years, and in 1991 we were introduced to a new charity, Dare to Love, which we support to this day. Since 1984 our club has donated \$23,824.45 to a variety of charities, something we can be very proud of.

As you can see, I could go on forever—but I won't. If you are interested in the early history of the Club, come by my house sometime and look through my 7 giant picture albums or talk with some of the long-time members—Mark Cumberland, Tom Murray, Ray Smith, Mike Frazier, Harry Burke, or Leon Weinstrom . It has been fun, and I look forward to the future of our Club.

## San Antonio Mustang Club History—Decoding Your Mustang Warranty Plate

### DECODING YOUR MUSTANG WARRANTY PLATE, Part 2

As we promised you last issue, here is the next installment on how to read your warranty plate. Unfortunately it will only cover one year--1967. We promised that we would cover two years at a time, but to keep the newsletter from breaking the postman's back we have reduced the coverage. For you 1968 owners, we will catch you in the next issue.

## BASIC MUSTANG LITERATURE

Like everything else Mustang, the amount of books available is overwhelming. If you don't believe me, get hold of a Classic Motorbooks catalog sometime. They list over 100 books on Mustangs: books on history, books on restoration, books on performance, and specialized books on Boss 302's, Boss 429's, and Shelsbys. It's downright intimidating (and expensive).

If you have unlimited funds, buy them all. If you don't you obviously need to be selective. Since most of us are primarily interested in keeping our cars running (service) and fixing them up (restoration), I would like to recommend a basic library, one that can be assembled for about \$65.00 to \$85.00.

- 1) The factory service manual for your year car. All years are available for about \$29.00 unless you are fortunate enough to have a 1969 or 1971-3. The comprehensive Ford 5-volume sets run \$60.00.
- 2) The glovebox owner's manual (about \$6.75). It's a heck of a lot easier to find a spark plug gap or other general service information in here than it is to find it in the service manual.
- 3) How to Restore Your Mustang (about \$14.95). This Mustang Monthly publication of about 160 pages takes you through the disassembly, cleaning, refinishing, and reassembly of an early Mustang. It even has sections in the back on decoding data plates, paint codes, interior codes, engine colors, tire size, placement of engine decals, and list of attaching parts' colors (black or natural). Lots of useful information and illustrations.
- 4) Mustang How-To, volumes 1 and 2. (about \$6.95 each). Even if you have the original articles in the magazines, these two handy volumes are collections of Mustang Monthly "how-to" articles for 1964½ to 1973 Mustangs. Volume 1 (25 articles) includes information on refinishing the engine compartment, improving handling, fixing squeaking upper control art bushings, keeping your car running cool, repairing leaky cowl panels, fixing air conditioning, refinishing styled steel wheels, replacing bushings in the transmission shifter, converting idiot lights to gauges, replacing your interior, replacing a headliner, repairing door hinges, installing a carpet, etc. Volume 2 (19 articles) includes information on restoring consoles, rebuilding topleader transmissions, installing rally-pacs, replacing vinyl tops, replacing timing chains, preserving your original alternator case, etc.
- 5) A subscription to Mustang Monthly magazine (\$19.97). This is a quality publication which continues to provide diverse, useful information.

Many of you long-time Mustang enthusiasts are already familiar with these publications, but I hope this information is useful for any newcomers. If it is, cruise out to Alamo Classic Mustang; they carry all the ones I mentioned.

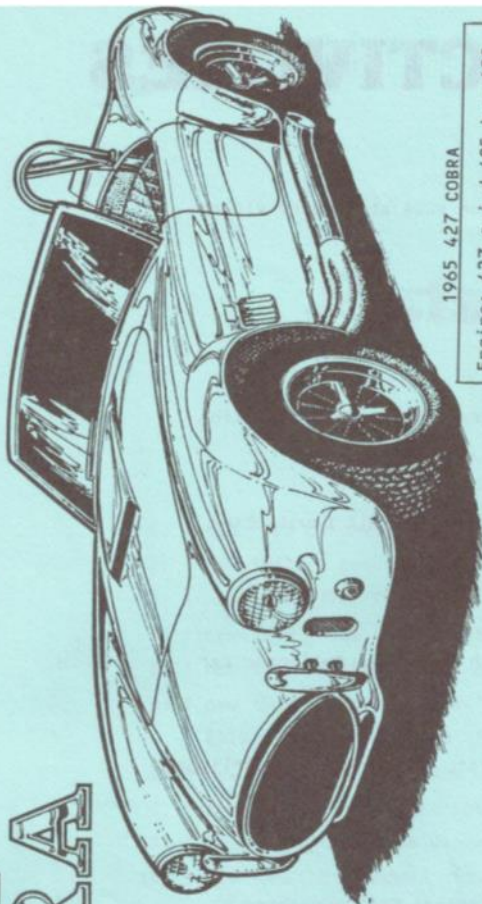

\*\*\*Jack Klug

Hoofprints May/June 1989

# PROFILE 427 AC COBRA

Performance aside, the styling of this car is wonderful. It's a perfect mix of classic '50s shape, but with plenty of lumps, bumps and muscle bulges. Classic, yet aggressive.

1965-427 COBRA

Engine: 427 c.i.d. 485 h.p. 480
lb. ft. torque, 2-4 bbl. carbs
Trans: H.D. 4-spd. 11.5" clutch
Suspension: Fully independent, coil over shocks, rack & pinion
Steering: 4 wheel disc brakes
Dimensions: weight 2354 lbs.,
W.B.-90", height-49", width-68"
Price: \$7000 (approx.)

When Carol Shelby began producing his 427 Cobras, I'm sure he had no ideal they'd be the stuff of legends. Even though the Cobra's performance figures have been topped in recent years, there is nothing like 427 Cobra.

This automotive rocket was result of Shelby being beaten out by Ferrari for the '64 FIA GT championship by a mere technicality. Shelby promised to "blow Ferrari's Ass off" in '65. The Texan's weapon would be a blend of Ford's 427 NASCAR engine and AC's updated chassis & widened body. The set up worked. Shelby won the '65 FIA GT class and created perhaps the ultimate performance sports car.

In the '50s & '60s, performance was measured with the 0-100 to 0 m.p.h. test.

A "performance car" could do the job in 20 to 25 sec

Ken Miles, cobra driver & racer, blasted that statistic with a 13.8 sec. clocking!

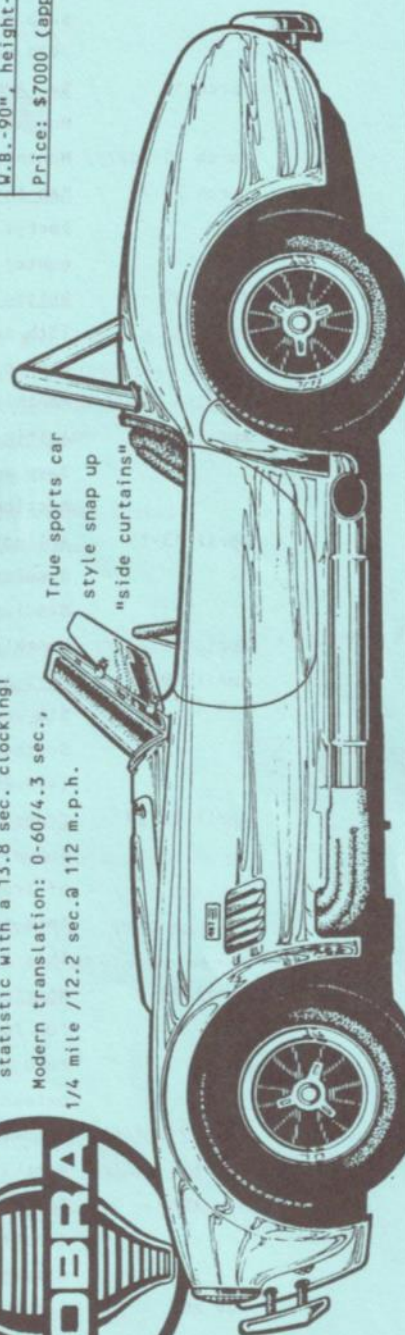

Modern translation: 0-60/4.3 sec.,

1/4 mile /12.2 sec. @ 112 m.p.h.

True sports car style snap up "side curtains"

Cobra's Body was made of hand formed thin gauge Aluminum.

Cobras wore the largest Tires 8.15 x 15 Goodyear Blue Dots.

Carol Shelby built two very special Cobras, one for himself, the other for comedian Bill Cosby. The cars sported twin superchargers--about 700 H.P.!

On Cosby's Comedy album "200 M.P.H.," he claims the car was simply "Too Much!" We can only imagine. Mustang Illustrated Fall '89

### 1990 FOXBODY MUSTANG GT FOR SALE

I met James Lubbert at CARFEST here in San Antonio, TX. He mentioned he was selling a 1990 Mustang. Knowing the San Antonio Mustang community, I mentioned I could post it here for sale. Although the car is located in Dallas, TX, it definitely is a car to look at if you are interested in a FOXBODY. Here is James's write-up on this Mustang:

Thank you for offering to post this to your other club members for me. This is my dad's car and he is from Missouri. I currently have the car at my house in North Dallas. Below is a list of the most pertinent features of the car. I am sure I am missing something but the list below covers most everything. It's a very reliable car, ready for the open track road course or with a few minor mods could be used on the drag strip or as a street car. \$12,500 - Please call me if you have questions. James Lubbert, 469-404-0008 (cell).

## **It's a 2013 GT/CS Mustang with only 87,000 miles.**

Daily driver in excellent shape! One owner. Alarm and remote start installed. Power leather bucket seats, cruise control, 5.0 4V TI-VCT, 6speed auto, sync package, tech package, 19" premium aluminum wheels. Full service about 10K miles ago. Transmission and rear end oil, spark plugs, brakes and belts were all changed. Rear tires have about 2K miles on them.

Call Jeremy Sakulenzki, or text: 956-212-2304. Email: [jpsakulenzki@msn.com](mailto:jpsakulenzki@msn.com)

## **(NO PICTURE)**

I have a 2004 Mustang GT, Oxford White, and I would like to trade my complete stock hood (still on the car) for a 2004 Mustang Oxford White non-scoop (6-cylinder) complete hood. Contact: Charlie Cockerell / [cockerellc@grandecom.net](mailto:cockerellc@grandecom.net)

## CLUB DISCOUNTS OFFERED BY JORAN FORD

### Being part of the San Antonio Mustang Club has its perks...

Not only do you get to meet people who share the passion of loving the Mustang and other Ford related automobiles, but you also get to take part in discounts offered by Jordan Ford, who has been a supporter of our club for a number of years.

**The following are discounts that are offered at this time:**

**10% off Service** - excluding already discounted services such as the Works Package, oil and tire rotation.

**10% off Parts**

Please mention at the time of purchase that you are a member of the San Antonio Mustang Club, and you will need to show your SAMC Membership card for the discount. We will update the new Membership/Renewal cards to reflect the discounts on the back. If you don't have a Membership/Renewal card, please contact Karyn Williams, our Membership Director: [samcmembership@outlook.com](mailto:samcmembership@outlook.com)

## Which Oil?

**"Which Oil"** by Jack Klug (*reprinted from an old Hoofprints newsletter*)

Most car enthusiasts have their favorite brand of car oil and probably remain faithful to it, for whatever reason, regardless of price. Well, what if a comprehensive study demonstrated that basically what oil you use doesn't make any difference? Would you change allegiance to your brand if you could get something cheaper?

The July 1996 Consumer Reports article, "The Surprising Truth about Motor Oils," presents the results of a comprehensive test of 75 New York City taxi cabs who drove four and a half million miles in 22 months. The test placed identically rebuilt motors (GM V-6's) with precisely measured parts in each cab and tested the performance of 20 popular motor oils meeting the industry's latest standards as certified by a star-burst symbol on the container. They also had the oil's chemical and physical properties analyzed by an independent lab. Oil was changed every 6,000 miles. After 60,000 miles, the engines were taken apart and checks for wear and harmful deposits.

**RESULTS:** Of the 20 oils tested plus 2 synthetics (Mobil 1 and Penzoil Performax) and one synthetic-and-conventional blend (Valvoline Durabland), every oil performed well. Thorough statistical analysis showed that no brand - not even the expensive synthetics - was meaningfully better or worse. There were some observations / variations:

1. Mobil 1 and Penzoil Performax synthetics flowed exceptionally well at low temperatures.
2. Some automakers recommended specific brands. You may need to follow these recommendations to keep a new car in warranty.
3. There was no meaningful difference on the engines whose oil was changed at 3000 miles and those changed at 6000. People who change oil every 3000 miles may be wasting money. Modern oils don't need to be changed as often as oils did years ago. But don't stretch the change interval beyond the automobile manufacturer's recommendation, no matter what oil you use.
4. Slick 50, STP Engine Treatment, and STP Oil Treatment provide no discernable benefits.
5. Synthetics were no better than regular oils except as noted in #1 above.

I would highly recommend the article since I have just provided an overview of the actual contents.

**Park Road 337 to Lost Maples State Park and Leakey, TX;** Approximately 2.5 hrs (one way and straight through); Approximately 90 Miles from Helotes.

This has to be one of the most beautiful drives in Texas (definitely near San Antonio.) Follow Hwy 16 North to the town of Bandera. The highway takes a right turn (follow the signs). Next town is Medina. Stop in at the Apple Store on Hwy 16 for cider and other goodies. Take a left on Park Rd 337. The Medina River follows the road on your left. The road gets really curvy and you begin to get into some serious hills before you reach Vanderpool. Be sure and drive slow—not only because of the hairpin turns, but also to give you time to take in the scenery (at least for the passengers!) At Vanderpool, turn right onto 187. To get to Lost Maples Park, continue North on 187 about 2 miles. To get to Leakey, continue on 187 until the intersection of the western limb of Park Rd 337. Turn left onto 337. The scenery on the west side of 187 is just as nice as the east side. Before entering Leakey, you will cross over the Frio River. Stop and see how clear and feel how cold the water is. Continue on to Leakey. For those who wish to see Garner State Park, turn left onto 336 in Leakey. The park is about 10 miles south of the intersection of 336 and 337.

## SAMC Breakfast Cruise to Old Spanish Trail (OST) Restaurant in Bandera, TX

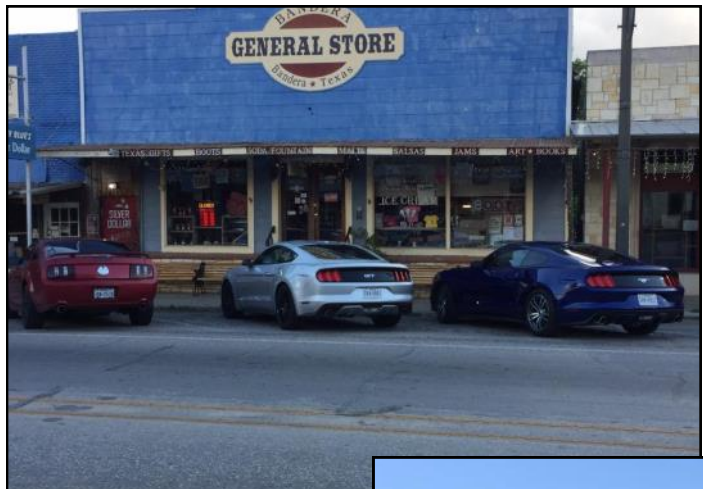

On Sunday, June 11th, early in the morning (7:00am) members of SAMC met up at the Home Depot on 9115 North Loop 1604 in San Antonio (at Bandera Rd). They departed at 7:30am for a very beautiful, fun and scenic drive through the Texas Hill Country. The cruise ended in Bandera, TX with everyone sitting down for a hot breakfast at Old Spanish Trail Restaurant (OST).

This was my husband, Mike's, first cruise in his 2007 GT, and our first time to eat at OST. I had no idea what was in store for us... As soon as we walked in, I felt like I was taken back to an old West Town. They have a bar area with saddles for bar stools!! Photos of John Wayne from all of his westerns grace many of the walls. Let's just say, the food was delicious and definitely Texas-sized. Can't wait to go back! Check out these photos... ~Becky Dowda

Happy Trails  
To You!!

## High Plains Thunderbirds & First United Bank 16th Annual "Day of Thunder" Car Show

Right after our daughter, Shelby, got out of school for the summer, we decided to take a trip to Amarillo, TX to visit my parents. I hadn't seen them in a while. My dad and my brother, Matt, are the reason I love cars and hot rods so much. It was a very nice visit with my parents and we were able to help them do a few things at their house. One task my dad asked us to help with was to help him clean up his hot rods for a car show on Saturday, June 10th. I think that was the highlight of my trip up there! My dad entered two of his three rods. One is a '55 Chevy truck, and the other is a '28 Ford Rat Rod. Both were complete re-builds that my dad and his buddy, Jeff Tittle, spent a lot of hours working on. So before we left Amarillo on June 10th, we went to the car show and took some photos. The first person that greeted us was Sean Slover with Amarillo Crime Stoppers. I entered their car show last year, and he remembered us. It was great to reconnect!! There were a few Mustangs at the show, and I stopped to talk to several of the owners. One of them, Shelly, I had met about a year ago when I entered the Amarillo Crime Stoppers indoor car show. I went to give her a big hug, and standing next to her was a couple shining up their Mustang. I happened to be wearing my SAMC T-shirt and we struck up a conversation. Come to find out, he and his wife are members of the Texas Panhandle Mustang Car Club in Amarillo. His name is Bud Eaton and his wife is Melinda. I took a great photo of them and a few of Shelly's beautiful V6 Mustang. I also met a couple who knew some of my friends in San Antonio that are part of San Antonio ACLX Mopar Club. Small world, huh? Just goes to show you never know who you will meet at car shows!! Later that day, my mom texted that dad's '55 Chevy won a First place, and his '28 got a Class Award. ~Becky Dowda, \*some photos by Sean Slover of Amarillo Crime Stoppers (I took photos off his Facebook page)
