The Roush - 428R Back Lot Find

Curt Fodderie owns this gorgeous 2008 Roush 428R. It's number 63 of only 200 made, and is a full stage three Jack Roush modified Mustang GT in a striking Vapor silver with custom black stripes.

Curt and his daughter fondly named her "The Roush" and he has owned her for the past four years which Curt says has "been a great ride."

The Roush was found by accident by Curt in the back lot of a car dealer when he took his neighbor to pick up her car. He quickly realized he wanted her all to himself and traded his pride and joy (a Goldwing motorcycle) for The Roush.

Curt said: "The Roush is a fantastic car to drive, being a stage three. I have not had to do any mods other than purchasing a radar detector. I look forward to sunny days and dry roads in the hill country where she can strut her stuff."

Congratulations Kenny!

He won "Best in Class" with his new car!

President's Path

Article by
Paul Woeppel,
President

Greetings! It is hard to believe that the end of summer is upon us. With all the cars shows and activities over the past few months, it is easy to see how time flew. As Fall starts, so does our planning for our 36th Annual Car Show. The people behind the scenes have been busy looking for vendors and sponsors to make our show a success. But, we still need the assistance of our members to get the word out about our show and get people to sign up to show their cars. The more registrations we get online, the better. It greatly helps us to expedite the process when people show up the day of the event. If you are planning on showing your car as part of the club display, we ask you to please register online as well. Additionally, we still need members to volunteer with the activities for the show. Doing so will help us figure out what teams of people will be there to help. Along those lines, on 15 August, Greg Polizzi, Paul Govoni and myself had the pleasure of visiting the "Dare to Love" Facility. I have to tell you it is an eye opening experience. This organization supports over 4000+ Children in Child Protection Services (CPS) Care in just Bexar County alone. Add to that, they only have a staff of 15 people and it is nothing but remarkable how they try to help each and every child that needs assistance. Mary Lou Rendon, the Director of the program, told us it's a challenge supporting the many necessities of the children. From newborn babies to toddlers, and adolescents to young adults, those that have to attend summer school, or kids who need tutoring, special clothing/shoes, or athletic fees paid, and even those with other special needs—there are so many situations Dare To Love handles when providing assistance to these kids. For example, finding the right size diapers for a newborn, clothes for the first day of school, or Christmas or birthday presents when they are in their care. I can tell you personally that what we as the San Antonio Mustang Club do to help this small organization is incredible. Our donations make a lasting impact on the kids by bringing joy and happiness in a not so pleasant situation. So as we head into the final stages of our car show, know that all the things you do to help us make it a success directly impacts the help and support needed by "Dare To Love". I am very happy to be part of an organization that over the years has partnered with them.

MESSAGE FROM THE EDITOR

Dude—all I gotta say is, “you get what you get”. If you don’t send me stuff to post like articles, ideas, photos, etc. etc. etc., then there’s no way I will know for sure what you want to read, see, laugh at or learn. So you’ll get what you get! Every month I spend a lot of my personal time doing my best to put together a newsletter that I hope the membership will be proud of. Sometimes I find mistakes after its been posted. I am just one person doing this volunteer position. It’s lonely at the top. So far not many members have submitted stories or photos. So as I said, you get what you get....

Send your ideas, articles, etc. and photos to:
rebeccadowda@yahoo.com

- Submission deadline for the **SEPTEMBER 2017** issue:
- **The Wed. following the monthly Club meeting.**
- Meeting is Sept 6th - so deadline is **Sept 13th.**

I’m giving you more time to submit your stuff!!!
 Respectfully,

Becky Dowda

**YOU ONLY GET OUT
 WHAT YOU PUT IN.
 DON'T EXPECT
 MORE UNTIL YOU
 DO MORE.**

San Antonio Mustang Club Editorial Statement of Purpose

The purpose of the San Antonio Mustang Club’s monthly newsletter, HOOFPRIINTS, is to provide the membership with information on Club activities, cruises, volunteer opportunities, various articles on topics relating to Mustangs, editorials, and an occasional humorous insert.

Any member who wants to contribute their own article, editorial, or letter to the Editor with comments on previous Newsletter contents, is welcome and encouraged to do so. This is a publication put together for the benefit of the Club and belongs to the Club members. Without the members, this publication would not be possible. Comments and suggestions are always welcome.

NOTE: Anything submitted for the purpose of publication will be reviewed and possibly edited. The Editor, with the President and Board, has the right to refuse any article or editorial if the content of such is considered offensive, vulgar, or of questionable material. Readers should also know that all content submitted by other members are opinions only, relating to the integrity of the person who submitted the article, and should not reflect as the opinion of the Club as a whole.

The San Antonio Mustang Club (SAMC) is a San Antonio-based Club that also encompasses surrounding suburbs and smaller cities. SAMC is the first and largest Mustang Club in San Antonio. The Club was started in 1980 with only a handful of Mustang enthusiasts that answered a newspaper ad and gathered in the Northstar Mall parking lot. The Club presently has grown to over 150 active members, with 80% being family memberships making the Club over 200 strong. We are dedicated to serving all those who own a Mustang, who are past owners, or who dream of owning a Mustang and just simply love the Ford-built muscle car. We work to educate Club members and the public about all generations of the Mustang and promote its appreciation. You do not have to own a Mustang to become a member.

If this is your first time attending our Club Meeting or reading this publication, welcome and thanks for choosing to visit! We encourage you to explore all that SAMC has to offer. Check out our website: SAMUSTANG.COM. If you have questions, please ask any member. If they can’t help you or answer your question, they can definitely point you in the right direction!

PLEASE READ THIS NOTICE

It has come to the attention of the club that after our monthly club meetings have concluded, people have left without paying the bill for their meals and their drinks.

We understand, sometimes folks can be forgetful...

This notice is posted to remind everyone that The San Antonio Mustang Club is NOT responsible for paying for your meals or your drinks at the meetings.

Coming early to eat prior to the meeting (or during the meeting) is encouraged as a time to socialize and meet new members prior to the meeting time of 7:00pm. However, meals and drinks are at your own expense. We respectfully ask that you pay for anything you order from Matamoros. We also encourage you to tip the server generously.

If you realize after reading this notice that you left without paying, we forgive you. Please see Jack Klug to reimburse the club.

Thank You for your cooperation and understanding!

VOLUNTEERS NEEDED!

DONATIONS NEEDED!

The Car Show Committee is needing everyone to step up and help! There is only about two months until our Annual Charity Car Show on October 14th, and there is still much to do!

We need folks who can talk to potential vendors, sponsors and donors for the show.

Ask businesses that you frequent - **“Would you donate a gift card to our car show?” OR “Can you donate an item for charity?”**

Ask friends who have home based businesses - **“Would you like to have a booth at our car show?”**

Ask your employers - **“Will you consider being a sponsor?”**

IF YOU HAVE ITEMS THAT YOU DON'T WANT and that are still new or very gently used - DONATE THEM TO THE SHOW AS DOOR PRIZES OR SILENT AUCTION ITEMS!

We also need people to take flyers and start passing them around at local events and businesses.

LET'S WORK TOGETHER TO MAKE THIS UPCOMING SHOW THE BEST ONE YET!!

BIFF BUZBY'S BURGERS

Dear Cruiser:

Biffs is wild about classic cars (all makes & models)! When we started Cruisin' Night 7 years ago we barely filled a quarter of the parking lot. Yet today it is getting hard to find a space.

We appreciate the fact that more & more people are joining us for the fun. As sole sponsor & organizer of "Cruisin' Night" we provide the place, labor, music/entertainment, outside beer booth, security, etc. all of which is strictly funded by your purchases. Biffs primary goal is to provide good food & service to our customers, the people who support us. **This includes parking spaces.**

As a result there is a **\$5.00 cover charge (Cash Only) for each vehicle. This \$5.00 (a coupon) is redeemable on any food orders (dine in or take out) at Biff's.** We are forced to do this as too many are taking a space bringing their own beverage and food or purchasing elsewhere. We know this will continue but it will cost you \$5.00 for a parking space.

Parking lot rules:

- (1) Parking spaces are based on first come, first served; spaces cannot be held.
- (2) As we provide the music, we ask that all car radios, boom boxes, etc. be turned off.
- (3) No speeding or peeling rubber
- (4) Do not block any intersections, easement road, or other vehicles
- (5) Our restrooms are for our customers only.
- (6) Improper behavior will not be tolerated.
- (7) No vendors.
- (8) We close at 10pm. We respectfully ask that the parking lot be cleared by 11:00!
- (9) Please dispose of your trash either by taking it with you or in one of the trash cans we provide.

We enjoy everyone coming out for "Cruisin' Night" every Friday. All we ask is for your support and observance of the rules.

Thank-you for your cooperation.

Northside Mustang Car Club - "Sister Club" to SAMC

Previously an announcement was made during our club meeting and through email to our members from Paul Woepfel (President of SAMC) about SAMC linking together with the Northside Mustang Car Club (NMCC) in the Houston, TX area. To learn more about NMCC and introduce them to our members, I reached out to Randy Weldon, President of NMCC. I asked if he would submit a story about NMCC as well as some photos of its members' cars. Below is what he sent! ~Becky Dowda

Northside Mustang Car Club (NMCC) was founded in June of 2009 and Chartered as a Regional Club by the Mustang Club of America creating 1 of 2 MCA Charter Clubs in the Houston, TX area.

Prior to being established, Mustang Owners had to travel over an hour to the west side of Houston to take part in organized Mustang Club activities as Members of the Mustang Club of Houston (MCOH). Today MCOH and NMCC work closely together to support each other and to deliver a larger positive impact for community outlook on the Mustang.

From inception, NMCC has been sponsored by Gullo Ford of Conroe/The Woodlands whose charity, Gullo Christmas for Kids, ensures children always have a Christmas and is supported by our club as is Honor Flight Houston which flies Veterans back to Washington DC to see War Memorials either for their 1st or potentially last time.

Each year NMCC holds 2 major car shows, one in the April/May timeframe (Gullo's All Ford Show to support Gullo Christmas for Kids) and one in October, the "Camaro vs Mustang Faceoff" to support Honor Flight Houston. (The HTown Camaro Club supports their charity during this event, The 100 Club for families of fallen 1st responders.)

NMCC also holds an annual Austin Overnight Cruise in June to grab a bite to eat overlooking Lake Travis and drive through the Hill Country, later relaxing and telling stories around the hotel pool.

Recently working in conjunction with the HTown Camaro Club we started what is believed will become an annual event, the "Camaro vs Mustang Bragging Rights Drag Racing Event."

NMCC also holds a monthly Cruise-In for Charity Event called TWCC, monthly dinners the 3rd Thursday of each month and a monthly Cruise-In for Fun event, the JCI Street Meet.

As NMCC has grown, we've focused on areas of club Members' passion and created "committees" for each area of passion. As an example, we created an Open Road Course Track Committee and now have members for an Open Course Track Team. The same is true for the Autocross (AutoX) Committee, Drag Racing Committee, Membership Committee, Car Show Committee, Family Events Committee, Cruise Committee and the OMR (Old Mustangs Rule) Committee who were originally called the OGR (Old Guys Rule) Committee until one of the guys objected to being called old....

Thru the creation of committees NMCC has become very active. On any given weekend it's now not unusual for NMCC to be taking part in 5 or more events in or around the city of Houston.

NMCC works very hard on 2 issues as a major focus: 1.) No Cliques; and 2.) No Drama. All of us got involved in our local club to have Fun. We're fortunate enough to have a Board of Directors who works well together and is very committed to working hard for the club. We're well aware that there is no club without our Members and our Members are here to have FUN.

Over the past year as the committee's have taken off, we've developed a slogan that we live, "Get Off the Couch with That Little Ol' Club from Texas, NMCC!"

We look forward to working closely to support SAMC and encourage any

SAMC Member finding themselves in the Houston area to come out & play with us.

TBT: Featured NMCC Member—Mike McClane

It's TBT & we love being able to tell these stories - Your Stories - about Your Mustang Passion! This weeks story is submitted by Mike McClane who I had the pleasure of meeting the first time at Houston Coffee & Cars. I think this story will leave you with a great smile. Upload your TBT Pictures - let's see 'em!!!

McClane Mustang Story

It all started in 1971 when I saw the James Bond movie Diamonds Are Forever. After seeing that movie I had to have a Mustang Mach 1.

It was not until 1972 that I was able to order a brand new 1972 Mustang Mach 1. I took delivery of the car on May 19, 1972, the very day I graduated high school. I traded a '67 Chevy Camaro and made payments of around \$82.00 a month! My first trip with my friends happened to be to a club to celebrate our graduation that night. Three of my friends and I pulled my Mach 1 into the gravel parking lot of the Red Rooster Club when my headlights caught the glowing argent stripes of what I thought was another Mach 1. I parked beside that car and noticed that it did not have a urethane front bumper like mine. It was something that I had never seen before nor could have ever known how special that car was. What it turned out to be was a black and argent Boss 351 Mustang! I had no way of knowing at the time that this car was one of only 1806 Boss 351 cars made.

In 1973 I got married to a beautiful 17 year old girl and the Mach 1 became "ours" instead of "mine". All my life I had wanted to be a police officer so in 1975 I was accepted into the Houston Police Academy. I put a trailer hitch on the Mach 1 and pulled a UHaul to Houston from Sadler, Texas to begin a life in the city. We had a daughter later that same year and sold the Mach 1 in 1976 for a more practical family car. I missed my Mach 1 from the very day a young high school kid who I'd sold it to, drove away with it. I tried to buy the car back a couple of years later when I just happened to stop that exact Mustang for a traffic violation. No deal on the car and the same young man I'd sold it to, got off with a warning! Dang I wanted my Mustang back!!

Fast forward to 2013. I found myself in bed recovering from foot surgery looking at Mustangs on eBay. I knew one day I would find another Mach 1 and the Light Pewter 429CJ Mach 1 with a ton of options on eBay, caught my eye. I kept looking at the car and bidding, not meeting the reserve when my wife noticed. She told me to quit wasting my time bidding and just call them up and ask what the reserve is so they could just put me out of my misery. Well, I did call and ended up making a deal on the car I would have ordered in 1971, if I could have afforded all those options!

But, the story does not end here. Remember the very day I got my first Mach 1 and parked by that Boss 351? That was the first and only Boss 351 I had ever seen and at the time I had no idea what it was..... You guessed it, I was checking out Mustangs on eBay again and found a perfectly restored Medium Yellow Gold Boss 351 Mustang. This color was as close as you could get to my original Gold Glow '72 Mach 1. I showed the pictures of the car to my wife (the same wife I started with in 1973 by the way) and she said that looks more like our old Mach 1. Now, I have two of the most collectable 1971 Mustangs out there, sitting in my garage!

After acquiring the 429 Mustang I joined the Northside Mustang Car Club of Conroe, TX. I began to show my car and found I was making friends that did not carry a badge and gun like me. I had always seemed to focus on work and not have a lot of time for anything else. That car changed my life and made me realize that there is more to life than work. After 39 years with the police department I retired. I now enjoy showing and sharing both of my cars with others.

(On a side note.....Mike never misses a chance to rub in the fact to me that he doesn't have to worry about what time it is or what day.....retirement.....enjoy it Mike! You are well deserving of it!!!)

MCA 2017 NATIONAL SHOWS

At past SAMC Meetings, Tom Bader gave us all some great information about upcoming Mustang Club of America National Shows. The last one for 2017 is a Grand National show in Kansas City. Tom encouraged all SAMC Members to put a National MCA show on their bucket list, saying "it's a great time to meet others!"

GRAND NATIONAL GOING TO KANSAS CITY

August 25-27, Overland Park, KS
Overland Park Convention Center
Mustang Club of Greater Kansas City

SAMC is currently making plans as a group, headed by Tom Bader, to attend the Grand National show, going to Kansas City. The show is scheduled for August 25-27 and hosted by the Mustang Club of Greater Kansas City. Although events and activities are subject to change, the MCGKC promises opportunities for attendees to enjoy the KC metropolitan area's restaurants and entertainment venues. Here is the itinerary posted in the Mustang Times Volume 41, No. 1, Page 11:

Friday Evening, August 25:
Welcome Reception and Tailgate Party. Wear your favorite team apparel and enjoy Zagat rated Kansas City BBQ and beverages while playing tailgate games.

Saturday Evening, August 26:
Open evening with off-site venue packages, including choices of Downtown Kansas City Tour, Top Golf Experience, Shopping and Dining Tour, and Plaza Cruise down Ward Parkway to the famous Country Club Plaza for shopping and dining.

Sunday, August 27:
Breakfast buffet followed by awards ceremony and Sunday Cruise to a local entertainment venue.

By the way, there's a Mustang show too, to be held at the Sheraton Overland Park Convention Center adjacent to the host Sheraton Overland Park Hotel.

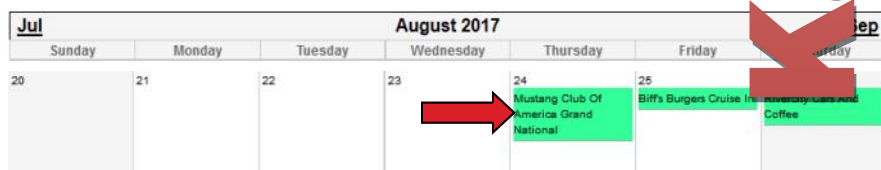

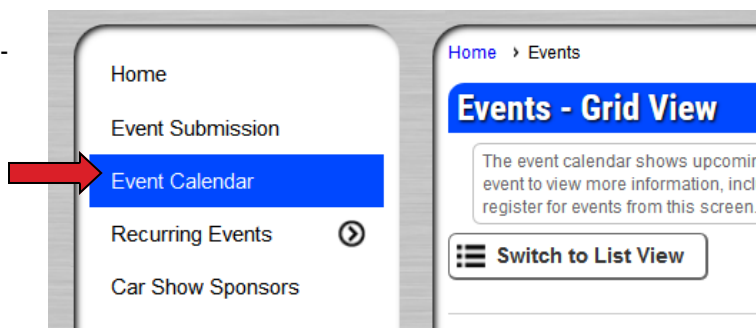

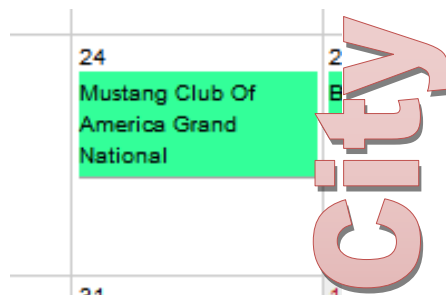

Registration is open now at
www.mustangclubofgreaterkc.com

From home page, click on link to "2017 MCA Grand National."

Tom said that preliminary plans are to leave on Thursday, August 24 and drive about half-way, possibly stopping in Norman, OK for the night. He said that those that want to can cruise into Oklahoma City to enjoy their river walk and other night activities. In the morning the group will depart and go the rest of the way to Kansas City. Tom is planning to return on Monday, however folks are free to leave on Sunday if they want.

BE ON THE LOOKOUT FOR MORE INFORMATION FROM TOM BADER on when/where SAMC Members will meet up and cruise together to this show.

WHAT IS MUSTANG SYNDICATE US (MSUS)?

My name is Jeremy Matherly and the photos here are of my orange and black 4.6 2007 Ford Mustang GT Full Bolt on. I am the National President and founder of Mustang Syndicate US (MSUS), an all mustang car family. MSUS was started earlier this year in February 2017. The group started out as a combination of 3 local clubs in the East Texas and North Texas area. That lasted about 2 months and then I took the group in a different direction with a more family centered focus not just for its members but for the communities where we live. MSUS is all about FAMILY, we are more than a group of mustang owners; we are a true group of mustang family in all aspects. #fam4life #MSUS

Currently, we have 1900+ members, with 21 chapters in 15 different states. We are always looking to start a new chapter in your local area if we don't already have a home for you. Our goal is to have at least one chapter in all 50 states by the end of 2017. To become a member all you

have to do is request to join the Mustang Syndicate US Main Facebook group page, there you will be asked to answer 2 questions: What state you live in and what year(s) is your Mustang. Once those questions are answered, one of our admins will take a look at some things and get you added to the page as soon as we can. Once on the page, you have the option to request a member ID number, this number currently will get you 10% off most parts with LAMustangs, dealers cost on AMSOIL from a local dealer on the page and more items to come very soon. We are currently working on a deal with American Muscle as well.

The best thing that you get from joining MSUS is the true family feeling that we have not just in the main group but carries over to every one of our chapters as well. We just recently started our website and it is currently up and expected to have many new items added the weekend of August 12th. Please go to mustangsyndicateus.com and see what we have to offer. You can also follow us on Instagram @mustangsyndicateus as well. We are always meeting and participating in car shows, meet and greets, and we just started our own car and coffee where we will setup a new location in a new city every month to reach more family members, we have our Feed the Homeless event every 3rd Saturday with our main branch and East Texas branch in South Dallas, Texas, so we always have something going on. We are currently working on setting up our 1st MSUS Stampede for a meet and greet car show style event to be held every year, we hope to start next year, and we are planning on this event being held in Tennessee. Stay tuned for more information there. We are also always looking for new ideas and events so please message me, or send a message to the page and we will take a look at things and get back to you.

Lastly I will leave you with "Why" we are who we are and do what we do....God Bless you all and we hope to see you soon!!!

"Why"

Somebody recently asked me, "Why do you do what you do with your Mustang Club?" I looked at them and I said, "Because we care" In a country where there is so much hate and negativity going on you don't see the good things in life that are going on each and every day. Mustang Syndicate US is here to do just that. Use our cars to attract the attention of everyone, then show them that someone cares, someone will listen and we are always here to help in any way that we can. MSUS is a family, we are very close with everyone within our family and we take care of each other and those around us. Our Main branch MSUS is based out of East Texas, there we raise money to sponsor girls fall soccer to help the local kids have a chance to play a sport and stay off the streets. Just an hour away in South Dallas, MSUS feeds the homeless of South Dallas every 3rd Saturday of the month. In our Georgia Chapter they are having a car show to raise money to help our Veterans in that area. ETXMS (East Texas Mustang Syndicate) a branch of MSUS every year hands out Turkeys to families that other wise may not have a turkey for this Thanksgiving Dinner. At Christmas we have a toy drive for the kids to make sure they have a good Christmas. MSUS is all about family and supporting the communities that we all live in everyday!!! So when someone ask, Why do we do this.....Because We Care!!!

San Antonio Mustang Club History

Since our car show is coming up in about two months, I thought I would post this article written by Ray Smith in a past issue of *Hoofprints*, called "Let's Have A Car Show." ~Becky Dowda

LET'S HAVE A CAR SHOW

Why do we have a yearly car show? Is it because of all the hard work that goes into putting on a car show? Have you ever stopped to think about the time and money that must be spent just getting a car show off the ground? Let me give you a few facts.

First, a site must be located for the show. Members fan out in all directions looking for just the right area. It must be located in a well travelled area. After much discussion, a letter must be sent to the owners of the site, requesting use of their property. You can't just move into a parking lot and set up a car show. Some property owners frown on this.

Next, time and date, type of show, classes and many other items must be decided upon. Once these are settled, a flyer must be drawn up giving all of the pertinent information. Design and checking must be done before it goes to print. I know you thought they just popped up in your latest newsletter, surprise, we are having a car show. Now really, some members sat for hours making up this flyer and trying to get it right the first time so we don't waste money printing it twice.

Once we have the classes, trophies are the next item of business. Where to buy, how should they look, can we use the ones left from last year to save a little money? The decision to reuse leftovers from last year is made, we save \$30.00 and just change the plaque. Now someone will need to purchase remaining trophies so we will have the number we need.

Now we need door prizes. We have had good response in the past years and people expect the same this year. So the members start touring their parts houses and trying to get door prizes. We will need quite a few if we have as many cars as last year, so everyone must do their share in getting the prizes.

Let's go over what we have—place, time, date, trophies, door prizes. We must be ready for the show... WHOA!! What about workers? We will need people to register the cars, parkers, runners, judges, ticket sellers, vote counters, door prize workers, and after the show is complete, someone to help clean up and load up.

Well, we have covered some things required to have a car show. On the paperwork side, letters are sent out, ballots made, registration forms made, received, and kits put together—all of which takes people and time. To put on a show takes more than words "let's have a car show." Believe it or not, most people do it because they enjoy getting together and working toward a common goal. Having a successful show in terms of representation is always a bonus but when we are successful in earning money for a worthwhile cause, it makes all the hard work fun.

The next time someone says, "let's have a car show," remember what it takes and volunteer your time and talent to help make it a success. **Ray Smith**

My husband, Mike, saw this red 1967 beauty just parked on the side of IH-35 in a lonely parking lot. We called the owner, Edwin, and he said the car runs good. He is having to sell his "baby" to pay for medical bills. Edwin's "For Sale" sign shows the car is selling for a mere \$7,500. Call him for more details. 210-910-8324. "What is a Mustang Worth" by Tom Bader

This is a question which is asked frequently. As the classic Mustangs get older and fewer collectables cars are available, their value continues to increase. Each year people across the United States bring their Pony's to car actions to find them a new home and reap the rewards of their care and ownership. This year was no different. At the Barrett-Jackson Auction in Scottsdale, Az., the classic Mustangs brought outstanding prices. All total 1000 cars of different makes crossed the action block, and all sold as no reserve (highest bidder). Not only were there 50 classic Mustangs up for auction, but a new 2007 Shelby GT500, the first one to be sold to the public. This car is already a legend and it has not even hit the streets. The money from this car went to charity per Carroll Shelby's request. So after all the bidding was completed and the dust settled Lot #1259.1 sold for the final sum of \$648,000.00. Go Mustang!!!! Below are price ranges for the classic Mustangs which sold this year:

So, as you see the Mustang is not only getting older, but their value is still going up. Agreed, these are not your daily drivers, but that doesn't mean your car is not in demand, or worth more now than what you paid for it. Every day I hear some teenager saying, "I want a 66 Mustang to drive". Check the papers or car trader magazines and you will be surprised. If you would like to check any given year or model on the cars above, go to barrett-jackson.com and click on auction results. Then pick the car's lot number, click on it, and you will see the car and how it was equipped. Enjoy.

~ An Insurance Warning ~

Written by Jack Klug

This article written by Jack Klug in an old edition of Hoofprints is still just as important today as it was back in the '90's. I thought I would re-print it here for you!

~Becky Dowda

An interesting article in the December 1990 Newsletter of the Diablo Valley Mustang Association in Concord, California brought up a valuable observation about insuring your project cars. Many Mustang owner decide to drop their insurance coverage while their cars are not running.

Be careful! You might not want to drop all of your insurance. You might want to keep the comprehensive coverage just in case your garage burns down or a tree falls on the garage and damages the car. Some homeowners insurance policies—at least in California—do not cover automobiles on the premises. You need to check with your insurance agent or read your policy to find out what kind of coverage your homeowners policy provides. Comprehensive coverage on an automobile policy is relatively cheap—especially considering the consequences.

Why I Joined and Stayed MSUS and ETXMS by Joe Collier

In late February (of this year), I joined the MSUS and ETXMS. I had never belonged to any official club since leaving the military, and I was excited to learn about Mustangs by sharing information, meeting new people, and belonging to something that was larger than life. Little did I know that tragedy would strike my family and me. On March 7, 2017, I received a phone call that nobody wants and that my brother had suffered a stroke and was on life support. My world as I know it ceased. I was already part of another Mustang group on Facebook (who recommended the MSUS to me) as well as MSUS. After I returned from the funeral, I sent Jeremy Matherly and the other President an email stating my tragedy. The other president basically told me to come back when things were better. Jeremy Matherly told me that the club was family, and if I needed anything to let him know. This is a complete stranger who I had only met through social media. The only two things that Jeremy and I had in common at that time were Mustangs and we are both veterans. Jeremy reached out and a solid friendship was made. I left that other group and have stayed with MSUS. Since then, I have made a plethora of friends, learned many tips and tricks about my car, and have attended a few events (to include feeding the homeless). My point is, there are many people who will come and go in your life. I have met people who are all talk and no action. Jeremy Matherly reached out to me when I was down and out. I felt like I didn't have a friend left in this world. My brother and I were very close. He was the first person to get me interested in Mustangs at the age of seven. My brother and I talked on the phone at least once a week and we sent text messages as well. In other words, Jeremy didn't ask or command respect and my friendship; instead, he reached out and showed me friendship. As a result, he not only has my respect and friendship but also the respect and admiration of the MSUS family.

Congratulations Paul!

July 29th Family Violence Prevention Services School Supply Drive - Hosted by Rod Dog's Saloon *by Becky Dowda*

Back in late June, The San Antonio Mustang Club was contacted via Facebook by the owner of Rod Dog's Saloon to participate in a school supply drive for Family Violence Prevention. She wanted those of us with Mustangs to be part of a Show-n-Shine at the event because she owns a sweet Shelby herself! We had several members of SAMC, Wild Side Stangs/San Antonio, and Alamo Area Corvette Club bring their rides out for the event which was on Saturday July 29th from 12:00 noon to 5:00pm. It was a very hot day outside so most of us gathered inside for music by the Rhythm Kings while we showed off our skills playing pool at the quarter tables.

Several of us brought school supplies and donated cash. Bar-B-Que plates by Champion Glass were being sold for \$5 for 1 meat or \$7 for 2 meats and all the fixins. Money from the plates was given to FVPS. The total amount raised was \$1,064.00!! The owner of Rod Dog's said that amount does not include all the school supplies that were brought in which filled up two huge boxes! The Alamo Area Corvette Club wrote a check for \$200.00 and Hill Country Spine also wrote a check for \$64. Thank you to everyone who came out in support of FVPS and their Back to School Supply Drive! Here are some photos of the event...

SAMC Summer Picnic—Cruise to Luckenbach & then Backwoods BBQ in Fredericksburg, TX

On Sunday, July 30th at 9:00am, a group of us met at the Lowes in the Rim for a drive to the infamous Luckenbach, Texas—yes, that place with Waylon and Willie and the Boys! It was a hot day to be outside, but a great one for being in an air-conditioned car cruising the scenic hill country. When we arrived at Luckenbach, we formed a pony corral and everyone stepped out to see the sights of Luckenbach: Restrooms, a Post Office with a gift shop, and a Dance Hall, along with huge shady oak trees and picnic tables. After folks got their fill of the scenery in Luckenbach, we headed out to Fredericksburg to fill our bellies with good 'ol Texas Bar-B-Que at Backwoods. Totally worth the drive!! Then, we all slowly departed and went our separate ways. Not sure if we departed slowly because we were all so stuffed... Anyway, I'm sure we will return there again! Here's some photos of our day.

Kenneth Wise - First Day as Honor Guard at Fort Sam Houston Memorial Cemetery

Kenny Wise posted some photos on Facebook and sent them to my Messenger account too. It's his first day "on the job" as an Honor Guard at Fort Sam Houston Memorial Cemetery. He proudly told me he wanted to give back to his servicemen and women for their service to the country. Thank you Kenny for giving your time to do this not only for them, but for their families too!
